Mathematics (Kindergarten – Grade 8) Textbook Recommendations for 2014-2015 and 2015-2016

Submitted by: Mary Kemper, Director of Mathematics

Comments:

The instructional materials to be adopted for the 2014-2015 and 2015-2016 school year have been reviewed by members of elementary and middle school textbook committees. Each committee included educators who will implement the materials.

Budget Impact:

The recommended instructional materials will be purchased with funds from the Instructional Materials Allotment.

Recommendation:

Approval of the recommended instructional materials. See attached list.
