To the school district number nine,

Unfortunately, I am unable to perform my duties to the school, I do not have a reliable vehicle. I am also having mental health issues; I find it is necessary to remove myself from my duties from the public schools. I love my job and the opportunities it has created for me, but for now I just need to take a step back. I hope this does not affect my future employment with you, please hold me with warm regards. I really can not thank you enough for allowing me to be apart of your team. This is my letter of resignation, effective immediately I will no longer work for Browning school district number nine.
