

Memo

To: Board of Trustees
From: Dan Holtry, Athletic Director
CC: R. Sauer, Superintendent; Matt Holtry, Principal
Date: 12/7/2015
Re: Athletic Director Report December, 2015

Fall sports have wrapped up with the State Championships and All-Star games (Volleyball and Football) all completed by the end of Thanksgiving break. Winter sports are all under way now as we head into the busy season for athletic events at our school.

Football

What a great season, and we feel that the football program accomplished some great things this season. Three years in a row of advancement into the quarter finals or better with a SRV runner up this year and 3rd place trophy at state. In addition, the Varsity football team won the State Academic Championship! We are very proud of what the football team has accomplished these past few seasons and I felt they represented Homedale very well.

Girls Basketball-

Girls are 4-1 overall and 1-0 in conference. The next couple of weeks are going to be busy, with games at Fruitland and Marsing this Thursday and Friday respectively this week. Next week they play at New Plymouth on Tuesday and then the Nampa Christmas tournament next Thursday-Saturday. Coach Joe Betancourt has a solid group of girls out and they are playing high tempo basketball and look forward to a great season.

Boys basketball-

The boys basketball program had their first two games last week on December 4th and 5th. With several new Varsity starters the boys team have struggled to find their groove. I think with their exciting high tempo style and physical talent they will become comfortable very soon. There is a lot of potential that fills the Basketball roster and it will be exciting to see them develop as a team.

Wrestling-

The Wrestling team has its first competition tonight at home vs. Marsing, Nampa JV, and Adrian then move onto this weekend at the Nyssa Invitational on December 11th and 12th. The numbers are up, in addition to the good core of wrestlers that return the coaches are excited about the attitude and effort that they have seen in the room so far. The kids have said that the feel in the room is good, and they environment is a positive one. Both Coaches and Wrestlers are looking forward to a great season.

Looking forward to this Winter sports season!!!
