Carlene:

At the special board meeting I was informed that prior to moving any funds the board budget it needed to be placed on the agenda for Board approval. Please add this request to the agenda for Tuesdays meeting under approvals.

Request for approval: under the Board's Budget, Elementary and High School, it is requested to move funds that are identified under the travel line items to the Staff Appreciation Line Item. Each trustee will need to identify if they wish to move the travel funds which are allocated to them under the elementary and high school line items under the board budget.
