- No one is allowed to enter with the graduates into the staging room.
- After we leave the staging room, we are not able to return. It is readied for the next graduation and locked. Absolutely no returning to this room.
- No air horns or lasers pointers. They will be taken up by UNT Police at that time.
- Graduates will exit the South Tunnel. Families are not allowed in the South Tunnel or on the Coliseum Floor.
- Traffic will be heavy before and after the ceremony. Due to the volume of people attending, some of the streets will be closed. Please plan to follow the directions on the map. There is less traffic if you enter from the north streets rather than North Texas Blvd. Please see the map at this website:
