ADMINISTRATIVE PROCEDURES

PROCEDURE TITLE Transportation of Students Due to Extraordinary Traffic Hazards

POLICY REFERENCE NO. 3601 **FORM REFERENCE NUMBER** _____

POLICY TITLE Transportation of Students Due to Extraordinary Traffic Hazards

The following conditions may be considered as extraordinary traffic hazard areas which would be eligible for transportation:

1. The need to cross a State, U.S. or Interstate Highway.
2. The need to cross a county or state highway when the crossing is not controlled either by a 4-way stop, signals, or crossing guard.
3. The crossing of a major feeder route when the crossing is not controlled either by a 4-way stop signal, crossing guard, or pedestrian crosswalk.
4. County or township roads with shoulders or with narrow shoulders and with a posted speed limit in excess of 30 MPH.
5. The need to cross railroad tracks.
6. Age of students.
7. Other special conditions that might be considered as dangerous to the safety of pupils as determined by the supervisor of transportation.
