Subject: Board Policy Revisions

I would like the opportunity to review with the Board of Education revisions for Board Policy IFC - Instructional Materials, Textbooks and Equipment Selection/Adoption. This Policy integrates IFAA, which was presented at Study Session on November 27, 2017, into Policy IFC. Please consider adding this agenda item to the Policy Committee portion of the Committee of the Whole meeting on December 4, 2017.

Thank you for consideration of this request.
