

March

Greetings Evergreen Families

Dear Evergreen Families,

Our 3rd Annual Read-A-Thon started February 26th, and will go through March 10th. Make sure to check out all the books being read to our students on our school website, and our Facebook page.

A fun fact about literature, there have been over 150 million books published. This means, you can always find a good book to read.

I wanted to remind families that with the cold virus going around, it is important to note that meds (even over the counter) can not be sent with students. This includes cough drops from home. Please contact the office for protocols if you are wishing for your student to have items like this at school.

Thank you for being part of the Evergreen family.

Silliness from the Desk of Ms. Jones

What did the dirt say to the rain?

You'd better cut it out, or my name will be mud!
