CISD Board Agenda Item Synopsis

Subject: Consider approval of the quote for Elementary #3 playground equipment

Background Information:

Celina ISD has a model playground which has been installed at both Lykins and O'Dell. As we have begun building the next elementary, we have sought feedback from both campus principals regarding the pros and cons of the design and have recognized the need to include ADA compliant access and panels. This new design takes into account the feedback and need.

Goals:

- 1. We will provide and support a safe, civil and collaborative culture.
- 2. We will continuously provide and support effective teaching in every classroom.
- 3. We will provide and support a guaranteed and viable curriculum.
- 4. We will continue to foster a love of reading and commit to continual growth in childhood literacy.
- 5. We will foster strong numeracy skills and commit to continual growth in math success.
- 6. We will provide targeted strategies and practices to prepare students for post-secondary education, career readiness, and military participation.
- 7. We will attract, recruit, develop, and retain high-quality professional staff.

Budgetary Impact:
