The [Illinois Constitution](#) requires the State to provide for an efficient system of high quality public educational institutions and services in order to achieve the educational development of all persons to the limits of their capabilities. [PRESSPlus1](#)

The Board of Education constitutes a body corporate that possesses all the usual powers of a corporation for public purposes, and in that name may sue and be sued, purchase, hold and sell personal property and real estate, and enter into such obligations as are authorized by law.

Mission Statement [PRESSPlus1](#)

"To provide innovative learning experiences which empower each student to lead with empathy and make a difference in a diverse and interconnected world."

Education is a life-long process. Therefore, the total educational program of our schools shall be directed toward preparing each student to think independently and to make a fulfilling and productive contribution to society.

The Board of Education of School District 103 believes that the instructional program should emphasize a thorough training in reading, writing, arithmetic, and speaking skills. Recognizing that a well-rounded education involves more than these basic skills, the curriculum shall also provide students with an understanding of the fine arts, natural resources, science, and the governmental and cultural foundations of our nation and the world. Students shall be encouraged and taught to develop work and study skills which will enable them to function in an independent and self-directed manner.

The learning environment shall be conducive to the optimum development of each student's intellectual, emotional, social, and physical capabilities. All students shall be given the opportunity to acquire an understanding and appreciation of the American way of life, and to respect the privileges and accept the responsibilities of citizenship.

The Board of Education shall maintain and encourage continuing communication with the citizens so that the educational goals of our schools are consistent with the expectations and needs of the community and shall be governed by the availability of the financial resources of the School District.

As part of the Board of Education, I shall accept the responsibility for my role in the equitable and quality education of every student in the School District;

Questions and Answers:

***Required Question 1. The School Code does not specifically address what happens when board members violate their oath of office, nor does it create an opportunity to take legal action for such violations. *Collins v. Bd. of Educ. of North Chicago Comm. Unit Sch. Dist. 187*, 792 F.Supp.2d 992 (N.D.Ill. 2011). **Consult the board attorney for guidance when considering any type of disciplinary action or sanction against a board member.**

Depending on the situation, a board self-evaluation or private one-on-one meetings with a board member may be appropriate to address an issue relating to board member behavior (for a list of IASB workshops, see www.iasb.com/conference-training-and-events/training/workshops/). When a board member's violation of the oath of office also constitutes a willful failure to perform his or her official duties, the board may request the regional superintendent to remove the member from office. See sample policy 2:60, *Board Member Removal from Office*, available at PRESS Online by logging in at www.iasb.com, at footnote 2, for further discussion. A board member whose conduct violates conflict of interest laws may also be subject to criminal liability and removal from office. See sample policy 2:100, *Board Member Conflict of Interest*, and its footnotes, for additional information. In consultation with the board attorney, a board may also consider other actions to address a member's violation of the oath of office, such as publicly censuring a member. *Houston Comm. College System v. Wilson*, 595 U.S. 468 (2022) (holding that a college board of trustees did not violate a trustee's First Amendment rights when it adopted a resolution censuring him for "reprehensible" conduct). Other sanctions may be also warranted, depending on the facts. For example, in *Earnest v. Jasper Cty. Comm. Unit Sch. Dist. No. 1*, 371 F.Supp.3d 459 (S.D.Ill 2019), a court held a board member was not deprived of his liberty interest under the 14th Amendment when the board limited his access to confidential board packet information after it found the board member shared confidential personnel and student information with members of the public.

To encourage appropriate conduct, boards may wish to have their policy express potential consequences for violating the oath of office or the *Code of Conduct for Members of School Boards*. Such boards may add the following sentence to the end of this policy:

"A board member who fails to abide by the oath of office or the *Code* may be subject to action by the Board, including, but not limited to, formal censure and/or referral to the Regional Superintendent for removal from office under Board policy 2:60, *Board Member Removal from Office*."

Has the Board adopted this policy to include the optional sentence shown above?

- ☐ No. (Default)
- ☐ Yes. (For districts in suburban Cook County, IASB will replace "Regional Superintendent" with

"appropriate Intermediate Service Center Executive Director.")

2:240 Board Policy Development

The Board governs using written policies. Written policies ensure legal compliance, establish Board processes, articulate District ends, delegate authority, and define operating limits. Board policies also provide the basis for monitoring progress toward District ends. [PRESSPlus1](#)

Policy Development

Anyone may propose new policies, changes to existing policies, or elimination of existing policies. Staff suggestions should be processed through the Superintendent. Suggestions from all others may be made to the Board President or the Superintendent.

A Board Policy Committee will consider all policy suggestions, and provide information and recommendations to the Board.

The Superintendent is responsible for: (1) providing relevant policy information and data to the Board, (2) notifying those who will be affected by a proposed policy and obtaining their advice and suggestions, and (3) having policy recommendations drafted into written form for Board deliberation. The Superintendent shall seek the counsel of the school attorney when appropriate.

Policy Adoption and Dissemination

Policies or policy revisions will not be adopted at the Board meeting at which they are first introduced, except when: (1) appropriate for a consent agenda because no Board discussion is required, or (2) necessary or prudent in order to meet emergency or special conditions or to be legally compliant. Further Board consideration may be given at a subsequent meeting(s) and after opportunity for community input. The adoption of a policy will serve to supersede all previously adopted policies on the same topic.

The Board of Education policies are available for public inspection on the district website. Copy requests should be made under the District's Access to Public Records Policy.

Board Policy Review and Evaluation

The Board of Education will monitor its policies and consider whether any modifications are required.

Words Importing Gender

Throughout this policy manual, words importing the masculine and/or feminine gender include all gender neutral/inclusive pronouns.

Superintendent Implementation

The Board will support any reasonable interpretation of Board of Education policy made by the Superintendent. If reasonable minds differ, the Board will review policy and consider the need for further clarification.

In the absence of Board of Education policy, the Superintendent is authorized to take appropriate

action.

Suspension of Policies

The Board, by a majority vote of members present at any meeting, may temporarily suspend a Board policy not established by law or contract. The failure to suspend with a specific motion does not invalidate the Board action.

State-mandated training is also required for board members who want to vote upon a dismissal based upon the *Performance Evaluation Reform Act*. For additional information, see Board policy 2:120, *Board Member Development*.

The following table contains State-mandated training requirements and other professional development activities that were completed by each Board member. When the Illinois Association of School Boards (IASB) provided the training, the acronym "IASB" follows the listed activity.

Step 1. Determining whether the meeting is a bona fide emergency (5 ILCS 120/7(e)(7)) (*check Yes or No, below*):

☐ Yes; it is an emergency meeting, and I:

Note: In this situation, a verbatim recording is not limited to closed meetings only.
- d. Move to Step 2, below.

☐ No; it is a regular or special meeting, and I:

- a. Ensured that the Board provided 48 hours' notice of the meeting to all Board members, to any news medium on file in the District that have requested notice of meetings pursuant to 5 ILCS 120/2.02(a), and to members of the public by posting it on the District's website. 5 ILCS 120/7(e)(7). **Note:** 5 ILCS 120/7(e) does not have the "if any" exception for school boards that do not have websites. Consult the Board Attorney regarding alternate ways to communicate notice of a meeting when the District does not have a website and a Disaster Declaration or Executive Order has been issued.

Insert meeting date and time, and a link to the meeting notice or attach a copy of the notice to this document.

- b. Move to Step 2, below.

Step 2. Determining whether it is practical, prudent, or feasible for any in-person attendance at the regular meeting location (5 ILCS 120/7(e)(2)). (*check Yes or No, below*):

☐ Yes; in-person attendance is practical, prudent, or feasible, and I:

Meeting Minutes Protocol [PRESSPlus1](#)

1. Meeting minutes are the permanent record of the proceedings during a Board of Education meeting. All Board action must be recorded in the minutes; thus, the minutes focus on Board action.
2. The minutes only include information provided at the meeting. Information may not be corrected or updated in the minutes unless it was discussed at the meeting.
3. Minutes include a summary of the Board's discussion on an agenda topic; the minutes do not state what is said verbatim. The minutes do not repeat the same point made by different individuals. If appropriate, the minutes include a brief background and an explanation of the circumstances surrounding an issue discussed. The minutes do not include the names of Board members making specific points during discussion. Requests from individual Board members to include their vote or an opinion in the minutes are handled according to Board policy 2:220, *Board of Education Meeting Procedure*.
4. The minutes include the topic of reports that are made to the Board including reports from the Superintendent or a Board committee. Written reports are filed with the minutes but do not become part of the minutes.
5. The minutes note when a member is not present for the entire meeting due to late arrival and/or early departure.
6. Although items may be considered by the Board in a different order than appeared on the agenda, items in the minutes are generally recorded in the same order as they appeared on the agenda. When appropriate, such evidence may be transferred to law enforcement authorities.
