**2021 - 2022**

## 12th grade:

Upon graduation, the students will return the MLD device and all accessories. The graduate will be given the opportunity to buy his/her device if the device is more than 3 years old. **If the student chooses to buy his/her device, the HOLD HARMLESS AND INDEMNIFICATION AGREEMENT FOR EQUIPMENT SOLD TO STUDENT FORM must be filled out and signed by both parent and the student.** Campus Technician will evaluate and assist the librarian to compile and submit a list of irreparable/sold devices that need to be decommissioned by the IT department. The list must also be submitted to the administrator in charge to collect costs incurred, if any, as well as Fixed Assets to update the district's inventory system.

## Transferring within UISD

Students transferring within the District will return the device and accessories to their current campus librarian or administrator. The campus tech will contact the Micro-Senior technician to physically transfer the MLD along with the Equipment Transfer Form to the receiving campus.

**\*\*\*An Equipment Transfer Form must be completed and filled out by the librarian prior to contacting the IT.**

The librarian will submit the Fixed Asset Transfer Form to [fixedassetsform@uisd.net](mailto:fixedassetsform@uisd.net). The new Campus Administrator will reissue the device and accessories to the student and verify that the MLD is now under the NEW campus TIPWEB.

## Residential, Alternative Schools and Withdrawal

Students who withdraw, transfer to a residential or an alternative facility must return their MLD on the date of campus termination. MLD equipment and issued accessories including charging cable, block, and power cable must be returned to campus immediately.

Campus Technician will evaluate devices and determine if it is in good condition or needs to be decommissioned. If the MLD is decommissioned, the Administrator in charge will advise the student and parent of the incurred costs.

The campus librarian will store the device and accessories. When the student returns to campus from the alternative facility, the campus librarian will reissue the same device and accessories to the student.

## IV. MLD Guidelines for Stolen, Lost or Unreturned Devices

### Lost or Stolen Procedures:

The MLD must be reported to the campus administrator or the teacher **immediately**.

- If the incident occurred outside of UISD property, a Laredo Police Department report must be turned in to the campus administration by the parents/guardians as soon as it becomes available.
- The Campus administrator will contact the IT Department to disable the MLD remotely to protect the device and/or data and render the device unusable.
- After a review of the incident, campus administration will advise the parent/guardian of the cost of the device is lost/stolen, or unreturned. (TEA Code Sec 31.104(d))
