

Middle School Student Showcase

May 28, 2020

Mahtomedi Middle School

Our Mission

The mission of Mahtomedi Middle School, an authentically connected community of Zephyrs dedicated to the fearless pursuit of personal growth is to ensure all students possess the academic, social, and emotional foundation for individual success while exploring passions and enhancing their joy of learning, through a vital system distinguished by:

- A culture that fosters trusting relationships and belonging
- An inclusive community that embraces and celebrates each individual
- Exceptional learning experiences and diverse opportunities that inspire and challenge students inside and outside of the classroom
- A culture that encourages curiosity and risk-taking and recognizes failure as a part of the learning process
- A dynamic learning environment that is flexible and responsive

Our Strategic Plan Goal

- Help students explore passions
- Work toward student agency and initiative
- Give students voice and choice in learning

Career Education

Informally:

All teachers include job and career information as part of the regular curriculum.

Formally:

The Middle School and High School counselors collaborate on introducing and using the Minnesota Career Information System (MCIS) as part of instructional time in 7th and 8th grade.
