

**DU PAGE ELEMENTARY SCHOOL DISTRICT 13
BOARD OF EDUCATION
Bloomingdale, Illinois**

Regular Meeting September 27, 2021

FOR DISCUSSION:

Subject: Board Superintendent Expectations

The maintenance of expectations between the Board of Education and the Superintendent provides the necessary boundaries to facilitate greater productivity in our professional relationship. Simply put, by agreeing to a set of mutual expectations, I am better able to serve you and the District.

The expectations I have of the Board of Education are developed to ensure that regular and ongoing communication is maintained. I believe this has been accomplished the past several years. The attached document is the same set of mutual expectations I presented over the past several years that will accomplish both purposes again this year.
