Policy Summary

Dec. 9, 2025

Policies for Review, First Reading:

5110.4 Student Discipline

As noted above, in 2023, the General Assembly passed legislation, now codified at Connecticut General Statutes Section 10-222aa *et seq.*, making significant changes to the statutory provisions related to school climate. Among other things, the revised law contains a new definition of bullying and requires boards of education to address challenging behavior in accordance with the revised school climate law. In light of these changes, we have revised the Student Discipline policy to reflect that, when appropriate, the school district will implement strategies to address student behavior, consistent with the School Climate Policy, with or without engagement with the discipline process. The revised policy also incorporates the updated definition of bullying and the definition of challenging behavior.

In addition, the definition of a protected class has been expanded to include individuals who are victims of sexual assault or human trafficking, as required by Public Act 25-139. We also expanded the list of conduct that may lead to disciplinary action to include the use of language, imagery, symbols, or conduct that demeans, threatens, or discriminates against an individual on the basis of their membership in a protected class. Language concerning the unauthorized possession, display, or dissemination of images depicting nudity, including synthetically created images, has also been updated to reflect the federal Take It Down Act and recent changes in Connecticut law. We have also included an opportunity for boards to expand the policy's definition of generative artificial intelligence ("AI") to include more systems than ChatGPT.

Further, the revised policy incorporates new procedural requirements for suspension and expulsion hearings. Specifically, Public Act 25-93 requires school personnel to consult with the district's local homeless education liaison to determine whether a student is homeless, and, if so, to consider the impact of homelessness on the student's behavior before proceeding with suspension or expulsion.

The policy has also been updated to ensure compliance with the IDEA when a student who is eligible for special education and related services under the IDEA has been suspended for ten (10) school days in the same school year, even if not consecutive. In that circumstance, the district must provide such student with services to enable the student to continue to participate in the general education curriculum and make progress toward meeting the goals in the student's IEP.

Finally, legal references throughout the policy have been updated to reflect current statutory citations.

Policies for Review, Waive Second Reading:

1370 Non-Discrimination

Passed during the 2025 legislative session, Public Act 25-139 adds sexual assault victim and human trafficking victim as protected classes under Connecticut's non-discrimination laws. This policy has been revised to reflect these additions. We also updated the location and contact information for the U.S. Department of Education's Office for Civil Rights, as the Boston office has closed. In addition, the appeal timeline for complaints involving the Superintendent or a member of the Board has been aligned with the timeline applicable to other respondents. Finally, we have made technical revisions throughout.

4116.1 Sex Discrimination and Sexual Harassment

On January 9, 2025, a federal district court in Kentucky <u>ruled</u> that the 2024 Title IX Regulations, which had taken effect on August 1, 2024, "are invalid and must be set aside." On January 31, 2025, the U.S. Department of Education's Office for Civil Rights confirmed that, effective immediately, it would enforce the 2020 Title IX Regulations. Accordingly, boards of education should discontinue use of policies and regulations that follow the 2024 Title IX Regulations and resume using those that were in place under the 2020 Title IX Regulations. We have revised the model policy that complies with 2020 Title IX regulations to: (1) update the location of and contact information for the U.S. Department of Education, Office for Civil Rights Office where individuals may file complaints, given that the Boston office has been closed; (2) add reference to potential use of a third-party contractor to conduct investigations (please note that the regulations already reference the possible use of a third-party contractor to serve as a decision-maker); (3) remove the definition of "fondling" within the definition of "sexual assault" and replace it with "criminal sexual contact" and update the definition of "rape" pursuant to changes to the National Incident-Based Reporting System ("NIBRS") manual; and (4) clarify certain distinctions between federal law and Connecticut law.

4118.1 Non-Discrimination

Passed during the 2025 legislative session, Public Act 25-139 adds sexual assault victim and human trafficking victim as protected classes under Connecticut's non-discrimination laws. This policy has been revised to reflect these additions. We also updated the location and contact information for the U.S. Department of Education's Office for Civil Rights, as the Boston office has closed. In addition, the appeal timeline for complaints involving the Superintendent or a member of the Board has been aligned with the timeline applicable to other respondents. Finally, we have made technical revisions throughout.

5020.1 Non-Discrimination

Passed during the 2025 legislative session, Public Act 25-139 adds sexual assault victim and human trafficking victim as protected classes under Connecticut's non-discrimination laws. This policy has been revised to reflect these additions. We also updated the location and contact information for the U.S. Department of Education's Office for Civil Rights, as the Boston office has closed. Finally, we have made technical revisions throughout.

5120.3.3 Administering Medications

Under Connecticut General Statutes Section 10-212a, qualified employees of boards of education are permitted (under certain circumstances) to administer epinephrine or glucagon to students. Public Act 25-143 revises the statutory language to authorize boards to use a wider range of medical equipment (e.g., nasal spray) instead of limiting boards to injection-based delivery. We have revised the policy to reflect the updated language in the statute regarding medication delivery mechanisms.

In accordance with the provisions of Connecticut General Statutes Section 10-212a(a)(2) and Section 10-212a-2 of the Regulations of Connecticut State Agencies, any proposed revisions to the administration of medications policy must be made with the advice and approval of the school medical advisor, school nurse supervisor, or other qualified licensed physician.

5120.5 Prohibition of Sex Discrimination and Sexual Harassment

On January 9, 2025, a federal district court in Kentucky <u>ruled</u> that the 2024 Title IX Regulations, which had taken effect on August 1, 2024, "are invalid and must be set aside." On January 31, 2025, the U.S. Department of Education's Office for Civil Rights confirmed that, effective immediately, it would

enforce the 2020 Title IX Regulations. Accordingly, boards of education should discontinue use of policies and regulations that follow the 2024 Title IX Regulations and resume using those that were in place under the 2020 Title IX Regulations. We have revised the model policy that complies with 2020 Title IX regulations to: (1) remove reference to Title IX from the titles of the policies and regulations, given that these policies and regulations cover Connecticut law as well as Title IX; (2) update the location of and contact information for the U.S. Department of Education, Office for Civil Rights Office where individuals may file complaints, given that the Boston office has been closed; (3) add reference to potential use of a third-party contractor to conduct investigations (please note that the regulations already reference the possible use of a third-party contractor to serve as a decision-maker); (4) remove the definition of "fondling" within the definition of "sexual assault" and replace it with "criminal sexual contact" and update the definition of "rape" pursuant to changes to the NIBRS manual; and (5) clarify certain distinctions between federal law and Connecticut law.

#5110.4 Student Discipline

(formerly Suspension/Expulsion/Exclusion From School/School Activities)

4 5 It is the policy of the Madison Board of Education (the "Board") to create a school environment that 6 promotes respect of self, others, and property within the Madison Public Schools (the "District"). 7 Compliance with this policy will enhance the Board and the District's ability to maintain discipline and 8 reduce interference with the educational process that can result from student misconduct. Pursuant to 9 this policy, the District shall promote the utilization of consistent discipline practices, both within and 10 across schools in the District, while also promoting the consideration of individual circumstances arising in each student disciplinary matter. Where appropriate, the District implements utilizes strategies that 11 12 teach, encourage and reinforce positive student behavior that do not require engagement with the discipline system. Such strategies include, but are not limited to, using evidence and research-based 13 14 interventions, including restorative practices, and may be implemented with or without imposing 15 discipline, as appropriate. In addition to implementing this Student Discipline policy, the District shall 16 address student behavior in accordance with the Board's School Climate Policy, Restorative Practices 17 Response Policy, and any school rules, student handbook, and/or code of conduct provisions regarding 18 the same.

A. A school principal or other school administrator shall notify a parent or guardian of a student whose behavior has caused a serious disruption to the instruction of other students; caused self-harm; or caused physical harm to a teacher, another student, or other school employee not later than twenty-four (24) hours after such behavior occurs.

354 Such notice shall include, but not be limited to, informing such parent or guardian that 355 the teacher of record in the classroom in which such behavior occurred may request a behavior intervention meeting. 356 357 358 If the teacher of record in the classroom ultimately requests a behavior intervention 359 meeting with the crisis intervention team for the school, the parent or guardian must be 360 notified that such meeting will occur. 361 362 If a behavior intervention meeting occurs, the crisis intervention team shall, not later than 363 seven (7) days after the behavior intervention meeting, provide to the parent or guardian 364 of such student, in the dominant language of such parent or guardian, a written summary of such meeting, including, but not limited to, the resources and supports identified. 365 366 367 VI. Procedures Governing Removal from Class 368 A. A student may be removed from class by a teacher or administrator if the student deliberately 369 causes a serious disruption of the educational process. When a student is removed by a teacher, 370 the teacher must send the student to a designated area and notify the responsible administrator or 371 administrator's designee at once. 372 A.B. A student may not be removed from class more than six (6) times in one school year nor more than twice in one week unless the student is referred to the responsible administrator or 373 374 administrator's designee and granted an informal hearing at which the student should be 375 informed of the reasons for the disciplinary action and given an opportunity to explain the 376 situation. 377 The parents or guardian of any minor student removed from class shall be given notice of 378 such disciplinary action within twenty-four (24) hours of the time of the institution of such 379 removal from class. 380 VII. **Procedures Governing Suspension** 381 A. The responsible administrator or administrator's designee, shall have the right to suspend a 382 student for breach of conduct as noted in Section II of this policy for not more than five (5) 383 consecutive in-school days: ten (10) consecutive school days for an out-of-school suspension 384 for students in grades three through twelve, inclusive; or five (5) consecutive school days for 385 an out-of-school suspension for students in grades preschool to two, inclusive. In cases where 386 suspension is contemplated, the following procedures shall be followed. 387 1. Unless an emergency situation exists, no student shall be suspended prior to having an 388 informal hearing before the responsible administrator or administrator's designee at which 389 the student is informed of the charges and given an opportunity to respond. In the event of 390 an emergency, the informal hearing shall be held as soon after the suspension as possible.

 as defined by the McKinney-Vento Homeless Assistance Act. If a student is determined to be a homeless child or youth, the responsible administrator or the administrator's designee must consider the impact of homelessness on the student's behavior during the informal hearing.

- 3. If suspended, such suspension shall be an in-school suspension, except the responsible administrator or administrator's designee may impose an out-of-school suspension on any pupil:
 - a. in grades three to twelve, inclusive, if, during the informal hearing, (i) the responsible administrator or administrator's designee determines that the student poses such a danger to persons or property or such a disruption of the educational process that student should be excluded from school during the period of suspension; or (ii) the responsible administrator or administrator's designee determines that an out-of-school suspension is appropriate based on evidence of (A) the student's previous disciplinary problems that have led to suspensions or expulsion of such student, and (B)previous efforts by the Administration to address the student's disciplinary problems through means other than out-of-school suspension or expulsion, including positive behavioral support strategies, or
 - b. in grades preschool to two, inclusive, if the responsible administrator or administrator's designee (A) determines that an out-of-school suspension is appropriate for such student based on evidence that such student's conduct on school grounds is behavior that causes physical harm, (B) requires that such pupil receives services that are trauma-informed and developmentally appropriate and align with any behavioral intervention plan, individualized education program or plan pursuant to Section 504 of the Rehabilitation Act of 1973, as amended from time to time, for such pupil upon such pupil's return to school immediately following the out-of-school suspension, and (C) considers whether to convene a planning and placement team meeting for the purposes of conducting and evaluation of the student.
- 3. An out-of-school suspension imposed in accordance with (2.A) of this subsection shall not exceed ten (10) school days, and an out-of-school suspension imposed in accordance with (2.B.) of this subsection shall not exceed five (5) school days.
- 4. Evidence of past disciplinary problems that have led to removal from a classroom, suspension, or expulsion of a student who is the subject of an informal hearing may be received by the responsible administrator or the administrator's designee, but only considered in the determination of the length of suspensions.
- 5. By telephone, the responsible administrator or the administrator's designee shall make reasonable attempts to immediately notify the parent or guardian of a minor student following the suspension and to state the cause(s) leading to the suspension.
- 6. Whether or not telephone contact is made with the parent or guardian of such minor student, the responsible administrator or administrator's designee shall forward a letter promptly to such parent or guardian to the last address reported on school records (or to a newer address

if known by the responsible administrator or administrator's designee), offering the parent or guardian an opportunity for a conference to discuss same.

- 7. In all cases, the parent or guardian of any minor student who has been suspended shall be given notice of such suspension within twenty-four (24) hours of the time of the institution of the suspension.
- 8. Not later than twenty-four (24) hours after the commencement of the suspension, the responsible administrator or administrator's designee shall also notify the Superintendent or designee of the name of the student being suspended and the reason for the suspension.
- 9. The student shall be allowed to complete any classwork, including examinations, without penalty, which the student missed while under suspension.
- 10. The school Administration may, in its discretion, shorten or waive the suspension period for a student who has not previously been suspended or expelled, if the student completes an Administration-specified program and meets any other conditions required by the Administration. Such Administration-specified program shall not require the student and/or the student's parents to pay for participation in the program. The Superintendent may delegate this authority to building or program level administrators.
- 11. Notice of the suspension shall be recorded in the student's cumulative educational record. Such notice shall be expunged from the cumulative educational record if the student graduates from high school. In cases where the student's period of suspension is shortened or waived in accordance with Section VII.A(109), above, the Administration may choose to expunge the suspension notice from the cumulative record at the time the student completes the Administration-specified program and meets any other conditions required by the Administration. The Superintendent may delegate this authority to building or program level administrators.
- 12.If the student has not previously been suspended or expelled, and the Administration chooses to expunge the suspension notice from the student's cumulative record prior to graduation, the Administration may refer to the existence of the expunged disciplinary notice, notwithstanding the fact that such notice may have been expunged from the student's cumulative file, for the limited purpose of determining whether any subsequent suspensions or expulsions by the student would constitute the student's first such offense.
- 13. The decision of the responsible administrator or administrator's designee with regard to disciplinary actions up to and including suspensions shall be final.
- 14. During any period of suspension served out of school, the student shall not be permitted to be on school property and shall not be permitted to attend or participate in any school-sponsored activities, unless the responsible administrator or the administrator's designee specifically authorizes the student to enter school property for a specified purpose or to participate in a particular school-sponsored activity.
- B. In cases where a student's suspension will result in the student being suspended more than ten (10) times or for a total of fifty (50) days in a school year, whichever results in fewer days of exclusion, the student shall, prior to the pending suspension, be granted a formal hearing before

the Board of Education. The responsible administrator or administrator's designee shall report the student to the Superintendent or designee and request a formal Board hearing. If an emergency situation exists, such hearing shall be held as soon after the suspension as possible.

VIII. Procedures Governing In-School Suspension

The responsible administrator or administrator's designee may impose in-school suspension in cases where a student's conduct endangers persons or property, violates school policy or seriously disrupts the educational process as determined by the responsible administrator or administrator's designee.
- B. In-school suspension may not be imposed on a student without an informal hearing by the responsible administrator or administrator's designee.
- C. In-school suspension may be served in the school or program that the student regularly attends or in any other school building within the jurisdiction of the Board.
- D. No student shall be placed on in-school suspension more than fifteen (15) times or for a total of fifty (50) days in one school year, whichever results in fewer days of exclusion.

- 4. Formal rules of evidence will not be followed. The Board (or the impartial board) has the right to accept hearsay and other evidence if it deems that evidence relevant or material to its determination. The Presiding Officer will rule on testimony or evidence as to it being immaterial, irrelevant, and/or any other objections to its submission.
- 5. The hearing will be conducted in two (2) parts. In the first part of the hearing, the Board (or the impartial board) will receive and consider evidence regarding the conduct alleged by the Administration.

- 13.14. If a student is determined to be a homeless child or youth as described in Subsection IX.C(4), the Board (or the impartial board) must consider the impact of homelessness on the student's behavior. Such student may not be expelled without a plan of interventions and supports to mitigate the impact of homelessness on the student's behavior. If the student is identified as a homeless child or youth and is expelled more than one time, the student shall be provided a meeting with the District's Homeless Education Liaison.

The Superintendent or Superintendent's designee may, after reviewing the incident with administrators, and reviewing the student's records, make a recommendation to the Board (or the impartial board) as to the appropriate discipline to be applied.
- 15.16. The Board (or the impartial board) shall make findings as to the truth of the charges, if the student has denied them; and, in all cases, the disciplinary action, if any, to be imposed. Except for a student who has been expelled based on possession of a firearm or deadly weapon as described in subsection IV.B(1) and (2) above, the Board (or the impartial board) may, in its discretion, shorten or waive the expulsion period for a student who has not previously been suspended or expelled, if the student completes a Board-specified program and meets any other conditions required by the Board (or the impartial board). The Board-specified program shall not require the student and/or the student's parents to pay for participation in the program.
- 17.18. The Board (or the impartial board) shall report its final decision in writing to the student, or if such student is a minor, also to the parent(s) or guardian(s), stating the reasons on which the decision is based, and the disciplinary action to be imposed. Said decision shall be based solely on evidence presented at the hearing. The parents or guardian or any

minor student who has been expelled shall be given notice of such disciplinary action within twenty-four (24) hours of the time of the institution of the period of the expulsion.

18.19. The hearing may be conducted virtually, via video conference, at the direction of the Board (or the impartial board), in the event school buildings are closed to students or individuals are provided limited access to school buildings due to a serious health or other emergency. Any virtual hearing must provide the student the due process rights identified in this Subsection D.

E. Presence on School Grounds, on School Transportation, and Participation in School-Sponsored Activities During Expulsion:

During the period of expulsion, the student shall not be permitted to be on school property or on school transportation and shall not be permitted to attend or participate in any school-sponsored activities, except for the student's participation in any alternative educational opportunity provided by the district in accordance with this policy, unless the Superintendent or Superintendent's specifically provides written permission for the student to enter school property or school transportation for a specified purpose or to participate in a particular school-sponsored activity.

F. Stipulated Agreements:

In lieu of the procedures used in this Section, the Superintendent or Superintendent's designee and the parent(s) or legal guardian(s) of a student facing expulsion may choose to enter into a Joint Stipulation of the Facts and a Joint Recommendation to the Board concerning the length and conditions of expulsion. Such Joint Stipulation and Recommendation shall include language indicating that the parent(s) or legal guardian(s) understand their right to have an expulsion hearing held pursuant to these procedures, and language indicating that the Board, in its discretion, has the right to accept or reject the Joint Stipulation of Facts and Recommendation. If the Board (or the impartial board) rejects either the Joint Stipulation of Facts or the Recommendation, an expulsion hearing shall be held pursuant to the procedures outlined herein. If the Student is eighteen years of age or older, the student shall have the authority to enter into a Joint Stipulation on the student's own behalf.

If the parties agree on the facts, but not on the disciplinary recommendation, the Superintendent or Superintendent's designee and the parents (or legal guardians) of a student facing expulsion may also choose to enter into a Joint Stipulation of the Facts and submit only the Stipulation of the Facts to the Board (or the impartial board) in lieu of holding the first part of the hearing, as described above. Such Joint Stipulation shall include language indicating that the parents and/or student over the age of 18 understand their right to have a hearing to determine whether the student engaged in the alleged misconduct and that the Board, in its discretion, has the right to accept or reject the Joint Stipulation of Facts. If the Board (or the impartial board) rejects the Joint Stipulation of Facts, a full expulsion hearing shall be held pursuant to the procedures outlined herein.

IX. Alternative Educational Opportunities for Expelled Students

A. Students under sixteen (16) years of age:

Whenever the Board of Education expels a student under sixteen (16) years of age, it shall offer any such student an alternative educational opportunity.

B. Students sixteen (16) to eighteen (18) years of age:

- 1. The Board of Education shall provide an alternative educational opportunity to a sixteen (16) to eighteen (18) year-old student expelled for the first time if the student requests it and if the student agrees to the conditions set by the Board (or the impartial board). Such alternative educational opportunity may include, but shall not be limited to, the placement of a student who is at least seventeen years of age in an adult education program. Any student participating in an adult education program during a period of expulsion shall not be required to withdraw from school as a condition to participation in the adult education program.
- 2. The Board of Education is not required to offer an alternative educational opportunity to any student between the ages of sixteen (16) and eighteen (18) who is expelled for a second, or subsequent, time.
- 3. The Board of Education shall count the expulsion of a student when the student was under sixteen (16) years of age for purposes of determining whether an alternative educational opportunity is required for such student when the student is between the ages of sixteen and eighteen.
- C. Students eighteen (18) years of age or older:

The Board of Education is not required to offer an alternative educational opportunity to expelled students eighteen (18) years of age or older.

- D. Content of Alternative Educational Opportunity
 - 1. For the purposes of Section IX, and subject to Subsection IX.E, below, any alternative educational opportunity to which an expelled student is statutorily entitled shall be (1) alternative education, as defined by Conn. Gen. Stat. § 10-74j and in accordance with the Standards for Educational Opportunities for Students Who Have Been Expelled, adopted by the State Board of Education, with an individualized learning plan, if the Board provides such alternative education, or (2) in accordance with the Standards for Educational Opportunities for Students Who Have Been Expelled, adopted by the State Board of Education.
 - The Superintendent, or designee, shall develop administrative regulations concerning alternative educational opportunities, which administrative regulations shall be in compliance with the standards adopted by the State Board of Education. Such administrative regulations shall include, but not limited to, provisions to address student placement in alternative education; individualized learning plans; monitoring of student(s) placements and performance; and a process for transition planning.
- E. Students identified as eligible for services under the Individuals with Disabilities Education Act ("IDEA"):

Notwithstanding Subsections IX.A. through D. above, if the Board of Education expels a student who has been identified as eligible for services under the Individuals with Disabilities Education Act ("IDEA"), it shall offer an alternative educational opportunity to such student in accordance with the requirements of IDEA, as it may be amended from time to time, and in accordance with the *Standards for Educational Opportunities for Students Who Have Been Expelled*, adopted by the State Board of Education.

F. Students for whom an alternative educational opportunity is not required:

The Board of Education may offer an alternative educational opportunity to a student for whom such alternative educational opportunity is not required by law or as described in this policy. In such cases, the Board, or if delegated by the Board, the Administration, shall determine the components, including nature, frequency and duration of such services, of any such alternative educational opportunity.

XI. Notice of Student Expulsion on Cumulative Record

Notice of expulsion and the conduct for which the student was expelled shall be included on the student's cumulative educational record. Such notice, except for notice of an expulsion of a student in grades nine through twelve, inclusive, based upon possession of a firearm or deadly weapon, shall be expunged from the cumulative educational record by the District if the student graduates from high school.

In cases where the student's period of expulsion is shortened or waived in accordance with Section VIII.D(174), above, the Board may choose to expunge the expulsion notice from the cumulative record at the time the student completes the Board-specified program and meets any other conditions required by the Board. Except as may be specified by the Board in an expulsion hearing decision, the Board delegates the authority to make decisions pertaining to expungement to the Superintendent.

If a student's period of expulsion was not shortened or waived, the Board may choose to expunge the expulsion notice from the student's cumulative record prior to graduation if such student has demonstrated to the Board that the student's conduct and behavior in the years following such expulsion warrants an expungement. In deciding whether to expunge the expulsion notice, the Board may receive and consider evidence of any subsequent disciplinary problems that have led to removal from a classroom, suspension or expulsion of the student. Except as may be specified by the Board in an expulsion hearing decision, the Board delegates the authority to make decisions pertaining to expungement to the Superintendent.

If the student has not previously been suspended or expelled, and the Administration chooses to expunge the expulsion notice from the student's cumulative record prior to graduation, the Administration may refer to the existence of the expunged notice, notwithstanding the fact that such notice may have been expunged from the student's cumulative file, for the limited purpose of determining whether any subsequent suspension or expulsion by the student would constitute the student's first such offense.

XII. Change of Residence During Expulsion Proceedings

A. Student moving into the District:

1. If a student enrolls in the District while an expulsion hearing is pending in another public school district, such student shall not be excluded from school pending completion of the expulsion hearing unless an emergency exists, as defined above. The Board shall retain the authority to suspend the student or to conduct its own expulsion hearing. The procedures outlined above in Section VIII and consistent with the requirements of Conn. Gen. Stat. § 10-233d or Conn. Gen. Stat. § 10-233l, if applicable, as well as the applicable provisions of the Uniform Administrative Procedures Act, Conn. Gen. Stat. §§ 4-176e to 4-180a, and § 4-181a shall be utilized for any hearing conducted under this section.

2. Where a student enrolls in the district during the period of expulsion from another public school district, the Board may adopt the decision of the student expulsion hearing conducted by such other school district. The student shall be excluded from school pending such hearing. The excluded student shall be offered an alternative educational opportunity in accordance with statutory requirements. The Board (or the impartial board) shall make its determination pertaining to expulsion based upon a hearing held by the Board (or the impartial board), which hearing shall be limited to a determination of whether the conduct which was the basis of the previous public school district's expulsion would also warrant expulsion by the Board. The procedures outlined above in Section VIII and consistent with the requirements of Conn. Gen. Stat. § 10-233d or Conn. Gen. Stat. § 10-233l, if applicable, as well as the applicable provisions of the Uniform Administrative Procedures Act, Conn. Gen. Stat. §§ 4-176e to 4-180a, and § 4-181a shall be utilized for any hearing conducted under this section.

B. Student moving out of the District:

Where a student withdraws from school after having been notified that an expulsion hearing is pending, but before a decision has been rendered by the Board, the notice of the pending expulsion hearing shall be included on the student's cumulative record and the Board shall complete the expulsion hearing and render a decision. If the Board subsequently renders a decision to expel the student, a notice of the expulsion shall be included on the student's cumulative record.

XIII. Procedures Governing Suspension and Expulsion of Students Identified as Eligible for Services under the Individuals with Disabilities Education Act ("IDEA")

A. Suspension of IDEA students:

 Notwithstanding the foregoing, if a responsible administrator suspends a student identified as eligible for services under the IDEA (an "IDEA student") who has violated any rule or code of conduct of the District that applies to all students, the following procedures shall apply:

 1. The responsible administrator shall make reasonable attempts to immediately notify the parents of the student of the decision to suspend on the date on which the decision to suspend was made, and a copy of the special education procedural safeguards must either

be hand-delivered or sent by mail to the parents on the date that the decision to suspend was made.

- 2. During the period of suspension, the District is not required to provide any educational services to the IDEA student beyond that which is provided to all students suspended by the District, except as set forth in subsection (3) below.
- 3. If an IDEA student is being suspended and that student has already been removed from their current placement for ten (10) school days in the same school year, school personnel, in consultation with at least one of the student's teachers, must determine the extent to which services are needed so as to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the student's IEP, so long as the suspension does not constitute a change in placement. If the suspension constitutes a change in placement, subsection (B) below will apply.

B. Expulsion and Suspensions that Constitute Changes in Placement for IDEA students:

Notwithstanding any provision to the contrary, if the Administration recommends for expulsion an IDEA student who has violated any rule or code of conduct of the District that applies to all students, the procedures described in this section shall apply. The procedures described in this section shall also apply for students whom the Administration has suspended in a manner that is considered under the IDEA, as it may be amended from time to time, to be a change in educational placement:

- 1. Upon the decision by the Administration to recommend expulsion or impose a suspension that would constitute a change in educational placement, the Administration shall promptly notify the parent(s)/guardian(s) of the student of the recommendation of expulsion or the suspension that would constitute a change in educational placement, and provide the parents(s)/guardian(s) a copy of the special education procedural safeguards either by hand-delivery or by mail (unless other means of transmission have been arranged).
- 2. The District shall immediately convene the student's planning and placement team ("PPT"), but in no case later than ten (10) school days after the recommendation for expulsion or the suspension that constitutes a change in placement was made. The student's PPT shall consider the relationship between
 - the student's disability and the behavior that led to the recommendation for expulsion or the suspension which constitutes a change in placement, in order to determine whether the student's behavior was a manifestation of the student's disability.
- 3. If the student's PPT finds that the behavior <u>was</u> a manifestation of the student's disability, the Administration shall not proceed with the recommendation for expulsion or the suspension that constitutes a change in placement.
- 4. If the student's PPT finds that the behavior <u>was not</u> a manifestation of the student's disability, the Administration may proceed with the recommended expulsion or suspension that constitutes a change in placement.

It is the policy of the Board of Education (the "Board") that any form of discrimination or harassment on the basis of race, religion, color, national origin, ancestry, alienage, sex, sexual orientation, marital status, age, disability, pregnancy, gender identity or expression, veteran status, status as a victim of domestic violence, sexual assault, or human trafficking, or any other basis prohibited by state or federal law ("Protected Class") is prohibited in the Madison Public Schools (the "District"), whether by students, Board employees, Board members or third parties subject to the control of the Board, subject to the conditions and limitations established by law. The Board's prohibition of discrimination or harassment in its educational programs or activities expressly extends to academic, nonacademic and extracurricular activities, including athletics, school-sponsored activities as well as the District website. The Board further prohibits reprisal or retaliation against any individual who reports incidents in good faith that may be a violation of this policy, or who participates in the investigation of such reports.

Discrimination and/or harassment against any individual on the basis of that individual's association with someone in a Protected Class may also be considered a form of Protected Class discrimination and/or harassment, and is therefore prohibited by this policy.

Students, Board employees, Board members and community members (e.g., other individuals affiliated with the District, accessing or seeking access to District facilities) are expected to adhere to a standard of conduct that is respectful of the rights of all members of the school community.

I. Definitions:

The following definitions apply for purposes of this policy:

A. Discrimination: Discrimination in violation of this policy occurs when an individual is denied participation in, or the benefits of, a program or activity of the Board because of such individual's actual or perceived membership in a Protected Class.

B. Harassment: Harassment is a form of Protected Class discrimination that is prohibited by law and by this policy. Harassment constitutes unlawful discrimination when it creates a hostile environment, which occurs when the harassment is sufficiently severe, pervasive, or persistent so as to interfere with or limit an individual's ability to participate in or benefit from the services, activities, or opportunities offered by the District.

Although not an exhaustive list, the following are examples of the types of prohibited conduct that may be considered Protected Class harassment and can lead to a hostile environment:

45 objectively offensive racial, ethnic, or religious epithets (or epithets commonly 46 associated with any Protected Class membership, including but not limited to 47 epithets relating to sex, sexual orientation, and/or gender identity or expression); 48 other words or phrases considered demeaning or degrading on the basis of 49 Protected Class membership; display of images or symbols commonly associated with discrimination against 50 51 individuals on the basis of their membership in a Protected Class; 52 graphic, written or electronic communications that are harmful or humiliating 53 based on Protected Class membership; or physical, written, electronic or verbal threats based on Protected Class 54 55 membership. 56 57 Harassment does not have to involve intent to harm, be directed toward a specific person, or 58 involve repeated incidents. 59 60 Sexual harassment is a form of harassment that is prohibited by law and Board policy. For more 61 information regarding harassment based on sex, sexual orientation, pregnancy, or gender identity 62 or expression, contact the District's Title IX Coordinator. 63 64 C. Gender identity or expression refers to a person's gender-related identity, 65 appearance or behavior, whether or not that gender-related identity, appearance or behavior is 66 different from that traditionally associated with the person's physiology or assigned sex at birth, 67 which gender-related identity can be shown by providing evidence including, but not limited to, 68 medical history, care or treatment of the gender-related identity, consistent and uniform assertion 69 of the gender-related identity or any other evidence that the gender-related identity is sincerely 70 held, part of a person's core identity or not being asserted for an improper purpose. 71 D. Sexual orientation: Sexual orientation refers to a person's identity in relation to the 72 gender or genders to which they are romantically, emotionally or sexually attracted, 73 inclusive of any identity that a person (i) may have previously expressed, or (ii) is 74 perceived by another person to hold. 75 76 E. Veteran: A veteran is any person honorably discharged from, released under honorable 77 conditions from or released with an other than honorable discharge based on a qualifying condition 78 from active service in, the United States Army, Navy, Marine Corps, Coast Guard and Air Force, 79 and Space Force and any reserve component thereof, including the Connecticut National Guard. 80 "Qualifying condition" means (A) a diagnosis of post-traumatic stress disorder or traumatic brain

If an individual is unable to make a written complaint, the employee receiving the oral complaint will either reduce the complaint to writing, assist the individual with completing the written complaint form, or request the assistance of a District administrator to do so.

All complaints received by employees are to be forwarded immediately to the Superintendent or Superintendent's designee. Upon receipt of a complaint alleging harassment or discrimination under this complaint procedure, the Superintendent shall promptly investigate the complaint, or designate a District administrator or other trained individual to do so. During the course of the investigation, the investigator shall interview or consult with all individuals reasonably believed to have relevant information, including the complainant, the reporter (if different from the complainant), the respondent and any witnesses to the conduct. Complaints will be investigated promptly within the time frames identified below. Time frames may be extended as needed given the complexity of the investigation, availability of individuals with relevant information and/or other extenuating circumstances. Confidentiality will be maintained by all persons involved in the investigation to the extent possible, as determined by the investigator.

Upon receipt of a written complaint of discrimination or harassment, the investigator should:

1. Offer to meet with the complainant and respondent (if applicable) within ten (10) business days (provided that such time frame may be reasonably extended based on the availability of necessary witnesses and/or participants, the complexity of the investigation, and/or other extenuating circumstances) to discuss the nature of the complaint, discuss the availability of interim measures, identify individuals the complainant or respondent believes has relevant information, and obtain any relevant documents the complainant or respondent may have;

2. Provide the complainant and respondent (if applicable) with a copy of the Board's non-discrimination policy and accompanying regulations;

3. Conduct an investigation that is adequate, reliable, and impartial. Investigate the factual basis for the complaint, including, as applicable, conducting interviews with the parties to the complaint and any relevant witnesses or other individuals deemed relevant to the complaint;

4. Review any records, notes, statements, or other documents relevant to the complaint;

5. Maintain confidentiality to the extent practicable throughout the investigative process, in accordance with state and federal law;

6. Complete a final investigation report that includes: (i) a findings of fact based on the evidence gathered; (ii) for each allegation, the conclusion(s) and reasoning(s) as to whether the discrimination or harassment occurred; and (iii) for any individual(s) found to have engaged in discrimination or harassment, a broad statement of consequences imposed (to the extent

permitted by state and federal confidentiality requirements) (.e.g "Consequences were imposed.").

7. Communicate the outcome of the investigation in writing to the complainant and respondent (if any) (to the extent permitted by state and federal confidentiality requirements), within thirty (30) business days (provided that such time frame may be reasonably extended based on the availability of necessary witnesses and/or participants, the complexity of the investigation, and/or other extenuating circumstances) from the date the complaint was received by the Superintendent's office. The complainant and respondent (if any) shall be notified of any extension of the investigation timeline. The written notice shall include a finding whether the complaint was substantiated and if so, shall identify, to the extent possible, how the District will take steps designed to remedy the discrimination or harassment, adhering to the requirements of state and federal law;

8. If a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of employees and/or other individuals who may have information relevant to the complaint. If fixed time frames cannot be met, the complainant and respondent (if any) will receive notice and interim measures may be implemented as necessary;

9. Whenever allegations are verified, ensure that appropriate corrective action is taken (including, but not limited to, disciplinary action) aimed at preventing the recurrence of the discrimination or harassment. Corrective action should include steps designed to avoid continuing discrimination or harassment;

10. After receiving the written notice of the outcome, parties shall have ten (10) school days to submit a formal written statement of appeal, if they so choose, to the Superintendent challenging the outcome of the investigation and explaining the basis for appeal. Upon receipt of an appeal, the Superintendent shall appoint a decisionmaker(s) for the appeal, who may be the Superintendent or designee. The decisionmaker(s) for the appeal will provide the appealing party's written statement to the non-appealing party. The non-appealing party will then have ten (10) school days to submit to the decision-maker(s) for the appeal a written statement in support of, or challenging, the outcome of the investigation. The decisionmaker(s) for the appeal shall review the evidence and the information presented by the parties and determine if further action and/or investigation is warranted. Such action may include consultation with the investigator(s) and the parties, a meeting with appropriate individuals to attempt to resolve the complaint, or a decision affirming or overruling the written outcome. Generally, a party's disagreement with the outcome of the investigation, alone, will not be basis for further action. The decisionmaker(s) for the appeal will attempt to issue written notice of the outcome of the appeal to the parties within thirty (30) school days of receipt of all written statements for the parties.

Conduct that does not meet these requirements still may constitute a violation of Title VII, Connecticut law, and/or another Board policy.

The Superintendent of Schools shall develop Administrative Regulations implementing this Policy and in accordance with Title IX, Title VII, and Connecticut law (the "Administrative Regulations").

Individuals who engage in acts of sex discrimination 81 or sexual harassment may also be subject to civil and criminal penalties. Retaliation against any 82 employee for complaining about sex discrimination or sexual harassment is prohibited under this 83 Policy and illegal under state and federal law. 84 85 Any Board employee with notice of sex discrimination and/or sexual harassment allegations shall 86 immediately report such information to the building principal and/or the Title IX Coordinator, or 87 if the employee does not work in a school building, to the Title IX Coordinator. 88 89 The Madison Public Schools administration (the "Administration") shall provide training to Title 90 IX Coordinator(s), investigators, decision-makers, and any person who facilitates an informal 91 resolution process (as set forth in the Administrative Regulations), which training shall include, 92 but not be limited to the definition of sex discrimination and sexual harassment, the scope of the 93 Board's education program and activity, how to conduct an investigation and implement the 94 grievance process, and how to serve impartially, including by avoiding prejudgment of the facts

When a student, District employee, or other participant in the District's programs and activities feels that such person has been subjected to discrimination on the basis of sex in any District program or activity, including without limitation being subjected to sexual harassment, such person may contact the Title IX Coordinator or utilize the Title IX. Title VII and Connecticut law grievance systems set forth herein to bring concerns forward for the purpose of obtaining a prompt and equitable resolution.

EXPLANATION OF COMPLAINT PROCESS AND PROCEDURE

The federal regulations implementing Title IX require the adoption and publication of two separate grievance systems: a grievance process for complaints of sex discrimination involving allegations of sexual harassment <u>under Title IX</u> and grievance procedures for complaints of sex discrimination that are not sexual harassment. Accordingly, the Administration will process any complaints of sex discrimination involving allegations of sexual harassment <u>under Title IX</u>, as defined above, pursuant to the **grievance process** set forth in Section I of these regulations. The Administration will process any complaints of sex discrimination that are not(including allegations of sexual harassment <u>under Title VII and/or Connecticut law only)</u> pursuant to the **grievance procedures** set forth in Section II of these regulations.

The District will keep confidential the identity of any individual who has a made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act (FERPA), or as required by law, or to carry out the purposes of these Administrative Regulations, including the conduct of any investigation, hearing, or judicial proceeding arising from these Administrative Regulations.

The obligation to comply with Title IX is not obviated or alleviated by the FERPA.

SECTION I. GRIEVANCE PROCESS FOR COMPLAINTS OF SEXUAL HARASSMENT UNDER TITLE IX

126 A. <u>Definitions</u>

• **Bias** occurs when it is proven that the Title IX Coordinator, investigator(s), and/or decision-maker(s) demonstrate actual bias, rather than the appearance of bias. Actual bias includes, but is not limited to, demonstrated personal animus against the respondent or the complainant and/or prejudgment of the facts at issue in the investigation.

- **Complainant** means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.
- A **conflict of interest** occurs when it is proven that the Title IX Coordinator, investigator(s), and/or decision-maker(s) have personal, financial and/or familial interests that affected the outcome of the investigation.

- **Consent** means an active, clear and voluntary agreement by a person to engage in sexual activity with another person (also referred to hereafter as "affirmative consent").
- For the purposes of an investigation conducted pursuant to these Administrative Regulations, the following principles shall be applied in determining whether consent for sexual activity was given and/or sustained:
 - A. Affirmative consent is the standard used in determining whether consent to engage in sexual activity was given by all persons who engaged in the sexual activity.
 - B. Affirmative consent may be revoked at any time during the sexual activity by any person engaged in the sexual activity.
 - C. It is the responsibility of each person engaging in sexual activity to ensure that the person has the affirmative consent of all persons engaged in the sexual activity to engage in the sexual activity and that the affirmative consent is sustained throughout the sexual activity.
 - D. It shall not be a valid excuse to an alleged lack of affirmative consent that the respondent to the alleged violation believed that the complainant consented to the sexual activity:
 - (i) because the respondent was intoxicated or reckless or failed to take reasonable steps to ascertain whether the complainant affirmatively consented, or
 - (ii) if the respondent knew or should have known that the complainant was unable to consent because such individual was unconscious, asleep, unable to communicate due to a mental or physical condition, unable to consent due to the age of the individual or the age difference between the individual and the respondent, or incapacitated due to the influence of drugs, alcohol or medication.
 - E. The existence of a past or current dating or sexual relationship between the complainant and the respondent, in and of itself, shall not be determinative of a finding of consent.
 - For purposes of investigations and complaints of sexual harassment, **education program or activity** includes locations, events, or circumstances over which the Board exercises substantial control over both the respondent and the context in which the sexual harassment occurs.
 - Employee means (A) a teacher, substitute teacher, school administrator, school superintendent, guidance counselor, school counselor, psychologist, social worker, nurse, physician, school paraprofessional or coach employed by the Board or working in a public elementary, middle or high school; or (B) any other individual who, in the performance of the individual's duties, has regular contact with students and who provides services to or on behalf of students enrolled in a public elementary, middle or high school, pursuant to a contract with the Board.

- Formal complaint means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment (as defined under Title IX) against a respondent and requesting that the Administration investigate the allegation of sexual harassment. A "document filed by a complainant" means a document or electronic submission that contains the complainant's physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint.
- **Respondent** means an individual who has been alleged to be the perpetrator of conduct that could constitute sexual harassment.
- School days means the days that school is in session as designated on the calendar posted on the Board's website. In its discretion, and when equitably applied and with proper notice to the parties, the District may consider business days during the summer recess as "school days" if such designation facilitates the prompt resolution of the grievance process.
- Supportive measures means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the District's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, mutual restrictions on contact between the parties, increased security and monitoring, and other similar measures.

B. Reporting Sexual Harassment

- 1. It is the express policy of the Board to encourage victims of sexual harassment to report such claims. Any person may report sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sexual harassment), in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator. If the District receives notice of sexual harassment or alleged sexual harassment against a person in the District's education program or activity, the Title IX Coordinator will promptly contact the complainant to discuss the availability of supportive measures, whether or not the complainant files a formal complaint, and will consider the complainant's wishes with respect to such measures. If the complainant has yet to file a formal complaint, the Title IX Coordinator will explain to the complainant the process for doing so.
- 2. The District will treat complainants and respondents equitably. A respondent is presumed not responsible for the alleged conduct and a determination regarding responsibility will be made at the conclusion of the grievance process if a formal complaint is filed. Nothing in these Administrative Regulations shall preclude the District from placing an employee respondent on administrative leave during the pendency of the grievance process. Further, nothing in these Administrative

Regulations shall limit or preclude the District from removing a respondent from the District's education program or activity on an emergency basis, provided that the District undertakes an individualized safety and risk analysis, and determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal. If a respondent is removed on an emergency basis, the District shall provide the respondent with notice and an opportunity to challenge the decision immediately following the removal.

C. Formal Complaint and Grievance Process

- 1. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information listed for the Title IX Coordinator. At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in the District's education programs or activity. A formal complaint may be signed by the Title IX Coordinator. If the formal complaint being filed is against the Title IX Coordinator, the formal complaint should be filed with the Superintendent. If the formal complaint being filed is against the Superintendent, the formal complaint should be filed with the Board Chair, who will then retain an independent investigator to investigate the matter.
- 2. The District may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances. If possible, formal complaints should be filed within ten (10) school days of the alleged occurrence in order to facilitate the prompt and equitable resolution of such claims. The District will attempt to complete the formal grievance process within ninety (90) school days of receiving a formal complaint. This timeframe may be temporarily delayed or extended in accordance with Subsection G of this Section.
- 3. Upon receipt of a formal complaint, if the Title IX Coordinator has not already discussed the availability of supportive measures with the complainant, the Title IX Coordinator will promptly contact the complainant to discuss the availability of such measures and consider the complainant's wishes with respect to them. The Title IX Coordinator or designee may also contact the respondent, separately from the complainant, to discuss the availability of supportive measures for the respondent. The District will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the District to provide such supportive measures.
- 4. Within ten (10) school days of receiving a formal complaint, the District will provide the known parties with written notice of the allegations potentially constituting sexual harassment under Title IX and a copy of this grievance process. The written notice must also include the following:
 - i. The identities of the parties involved in the incident, if known;
 - ii. The conduct allegedly constituting sexual harassment as defined above;

- iii. The date and the location of the alleged incident, if known;
- iv. A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process;
- v. A statement that the parties may have an advisor of their choice, who may be, but is not required to be, an attorney, and may inspect and review evidence; and
- vi. A statement of any provision in the District's policies that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

If, in the course of an investigation, the District decides to investigate allegations about the complainant or respondent that are not included in the written notice, the District must provide notice of the additional allegations to the parties whose identities are known.

- 5. The parties may have an advisor of their choice accompany them during any grievance proceeding at which the party's attendance is required. The District may, in its discretion, establish certain restrictions regarding the extent to which an advisor may participate in the proceedings. If any such restrictions are established, they will be applied equally to all parties.
- 6. The Title IX Coordinator will, as applicable, promptly commence an investigation of the formal complaint, designate a school administrator or third-party contractor to promptly investigate the formal complaint, or dismiss the formal complaint in accordance with Subsection F of this Section. The standard of evidence to be used to determine responsibility is the preponderance of the evidence standard (i.e., more likely than not). The burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the District and not on the parties.
- 7. The parties will be given an equal opportunity to discuss the allegations under investigation with the investigator(s) and are permitted to gather and present relevant evidence. This opportunity includes presenting witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence. Credibility determinations will not be based on a person's status as a complainant, respondent, or witness. The District will provide to a party whose participation is invited or expected (including a witness) written notice of the date, time, location, participants, and purpose of all hearings (if applicable), investigative interviews, or other meetings, with sufficient time for the party to prepare to participate.
- 8. Both parties will be given an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in the formal complaint, including the evidence upon which the District does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to the conclusion of the investigation. Prior to completion of the investigative report, the District will send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a

hard copy, and the parties will have ten (10) school days to submit a written response, which the investigator(s) will consider prior to completion of the investigative report, as described in Paragraph 9 of this Subsection.

- 9. The investigator(s) will create an investigative report that fairly summarizes relevant evidence. The investigator(s) will send the investigative report, in an electronic format or hard copy, to each party and to each party's advisor for their review and written response at least ten (10) school days prior to the time a determination regarding responsibility is made.
- 10. The Superintendent will appoint a decision-maker(s), who shall be a District employee or third-party contractor and who shall be someone other than the Title IX Coordinator or investigator(s). If the formal complaint filed is against the Superintendent, the Board Chair shall appoint the decision-maker, who shall be someone other than the Title IX Coordinator or investigator(s). The investigator(s) and the decision-maker(s) shall not discuss the investigation's facts and/or determination while the formal complaint is pending. The decision-maker(s) will afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. The decision-maker(s) will explain to the party proposing the questions any decisions to exclude a question as not relevant.
- 11. The decision-maker(s) will issue a written determination regarding responsibility. To reach this determination, the decision-maker must apply the preponderance of the evidence standard. The written determination will include: (1) identification of the allegations potentially constituting sexual harassment; (2) a description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held; (3) findings of fact supporting the determination; (4) conclusions regarding the application of the District's code of conduct to the facts; (5) a statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the District will impose on the respondent, and whether remedies designed to restore or preserve equal access to the District's education program or activity will be provided by the District to the complainant; and (6) the District's procedures and permissible bases for the complainant and respondent to appeal. If the respondent is found responsible for violating the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel), the written determination shall indicate whether the respondent engaged in sexual harassment as defined by the Board's Policy and these Administrative Regulations. The written determination will be provided to both parties simultaneously.

- 12. Student respondents found responsible for violating the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel) may be subject to discipline up to and including expulsion. Employee respondents found responsible for violating the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel) may be subject to discipline up to and including termination of employment. Other respondents may be subject to exclusion from the District's programs, activities and/or property. In appropriate circumstances, the District may make a criminal referral. Remedies will be designed to restore or preserve equal access to the District's education programs or activities.
- 13. After receiving notification of the decision-maker(s)' decision, or after receiving notification that the District dismissed a formal complaint or any allegation therein, both complainant and respondent may avail themselves of the appeal process set forth in Section E of this Section.

D. <u>Informal Resolution</u>

At any time prior to reaching a determination regarding responsibility, but only after the filing of a formal complaint, the District may suggest to the parties the possibility of facilitating an informal resolution process, such as mediation, to resolve the formal complaint without the need for a full investigation and adjudication. If it is determined that an informal resolution may be appropriate, the Title IX Coordinator or designee will consult with the parties.

Prior to facilitating an informal resolution to a formal complaint, the Title IX Coordinator or designee will provide the parties with written notice disclosing the sexual harassment allegations, the requirements of an informal resolution process, and any consequences from participating in the informal resolution process. Upon receipt of this document, complainants and respondents have five (5) school days to determine whether they consent to participation in the informal resolution. The District must obtain voluntary, written consent to the informal resolution process from both parties.

- Prior to agreeing to any resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint. If a satisfactory resolution is reached through this informal process, the matter will be considered resolved. If these efforts are unsuccessful, the formal grievance process will continue.
- Nothing in this section precludes an employee from filing a complaint of retaliation for matters related to an informal resolution, nor does it preclude either party from filing complaints based on conduct that is alleged to occur following the District's facilitation of the informal resolution.
- An informal resolution is not permitted to resolve allegations that an employee sexually harassed a student.

403 E. Appeal Process

After receiving notification of the decision-maker(s)' decision, or after receiving notification that the District dismissed a formal complaint or any allegation therein, both complainant and respondent have five (5) school days to submit a formal letter of appeal to the Title IX Coordinator specifying the grounds upon which the appeal is based. Upon receipt of an appeal, the Superintendent shall appoint a decision-maker(s) for the appeal, who shall be someone other than the Title IX Coordinator, investigator(s) or initial decision-maker(s).

Appeals will be appropriate only in the following circumstances:

complainant or respondent.

• new evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter:

• procedural irregularity that affected the outcome of the matter;

any additional necessary and appropriate procedures for the appeal.

 the Title IX Coordinator, investigator(s), and/or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter. A conflict of interest or bias does not exist solely because the Title IX Coordinator, investigators(s), and/or decision-maker(s) previously worked with or disciplined the

The District will provide the other party with written notice of such appeal. The appealing party will then have ten (10) school days to submit to the decision-maker(s) for the appeal a written statement in support of, or challenging, the outcome of the grievance process. The decision-maker(s) for the appeal will provide the appealing party's written statement to the other party. The other party will then have ten (10) school days to submit to the decision-maker for the appeal a written statement in support of, or challenging, the outcome of the grievance process. The decision-maker(s) for the appeal, in their discretion, will determine

After considering the parties' written statements, the decision-maker(s) for the appeal will provide a written decision. The decision-maker(s) for the appeal will attempt to issue the written decision within thirty (30) school days of receipt of all written statements from the parties. If it is found that one of the bases for appeal exists, the decision-maker(s) for the appeal will issue an appropriate remedy.

Supportive measures for either or both parties may be continued throughout the appeal process.

F. Dismissal of a Formal Complaint

The Title IX Coordinator shall dismiss any formal complaint that, under Title IX, 1) would not constitute sexual harassment as defined under Title IX even if proved, 2) did not occur in the District's education program or activity, or 3) did not occur against a person in the United States. Such dismissal does not preclude action under another Board policy.

The District may dismiss a formal complaint or any allegations therein, if at any time during the investigation or hearing: 1) a complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein; 2) the respondent is no longer enrolled or employed in the District; or 3) specific circumstances prevent the District from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

Upon a dismissal, the District will promptly and simultaneously send written notice of the dismissal and reason(s) therefor to each party. Either party can appeal from the District's dismissal of a formal complaint or any allegations therein using the appeals procedure.

In the event a formal complaint is dismissed prior to the issuance of a decision under Title IX, the Title IX Coordinator shall determine if the allegations of sexual harassment shall proceed through the grievance procedures identified in Section II of these Administrative Regulations for claims of sex discrimination for consideration as to whether the allegations constitute sexual harassment under Title VII or Connecticut law.

A dismissal pursuant to this section does not preclude action by the District under the Student Discipline policy, Code of Conduct for students/or and employees, or any other applicable rule, policy, and/or collective bargaining agreement.

G. Miscellaneous

1. Any timeframe set forth in these Administrative Regulations may be temporarily delayed or extended for good cause. Good cause may include, but is not limited to, considerations such as the absence or illness of a party, a party's advisor, or a witness; concurrent law enforcement activity; concurrent activity by the Department of Children and Families; or the need for language assistance or accommodation of disabilities. If any timeframe is altered on a showing of good cause, written notice will be provided to each party with the reasons for the action.

2. If a sexual harassment complaint raises a concern about discrimination or harassment on the basis of any other legally protected classification (such as race, religion, color, national origin, age, or disability), the Title IX Coordinator or designee shall make a referral to other appropriate personnel within the District (e.g. Section 504 Coordinator, etc.), so as to ensure that any such investigation complies with the requirements of policies regarding nondiscrimination.

3. If the sexual harassment complaint results in reasonable cause to suspect or believe that a child has been abused or neglected, has had a nonaccidental physical injury, or injury which is at variance with the history given of such injury, is placed at imminent risk of serious harm, or that a student has been sexually assaulted by a school employee, then, the person to whom the complaint is given or who receives such information shall report such matters in accordance with the Board's policy on the Reports of Suspected Child Abuse or Neglect of Children.

- 4. Retaliation against any individual who complains pursuant to the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel) and these Administrative Regulations is strictly prohibited. Neither the District nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IXapplicable law or these Administrative Regulations, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under these Administrative Regulations. The District will take actions designed to prevent retaliation. Complaints alleging retaliation may be filed according to the grievance procedures for sex discrimination described herein.
- 5. The District will maintain for a period of seven (7) years records of:
 - i. Each sexual harassment investigation including any determination regarding responsibility, any disciplinary sanctions imposed on the respondent, and any remedies provided to the complainant designed to restore or preserve equal access to the Board's education program or activity;
 - ii. Any appeal and the result therefrom;

- iii. Any informal resolution and the result therefrom; and
- iv. All material used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process. The Board will make these training materials publicly available on its website.

If the District has actual knowledge of sexual harassment <u>under Title IX</u> in an education program or activity of the Board, and for any report or formal complaint of sexual harassment, the District will create and maintain for a period of seven (7) years, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. The District will document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the Board's education program or activity. If the District does not provide a complainant with supportive measures, then the District will document the reasons why such a response was not clearly unreasonable in light of the known circumstances.

SECTION II. GRIEVANCE PROCEDURES FOR CLAIMS OF SEX DISCRIMINATION (OTHER THAN SEXUAL HARASSMENT UNDER TITLE IX)

535 A. Definitions

- **Complainant** means an individual who is alleged to be the victim of conduct that could constitute sex discrimination.
- **Respondent** means an individual who has been reported to be the perpetrator of conduct that could constitute sex discrimination.

B. Reporting Sex Discrimination Other than Sexual Harassment under Title IX

It is the express policy of the Board to encourage victims of sex discrimination to report such claims. Any person may report sex discrimination or sexual harassment under Title VII or Connecticut law (whether or not the person reporting is the person alleged to be the victim of such conduct that could constitute sex discrimination), in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator. If the District receives notice of sex discrimination or alleged sex discrimination against a person in the District's education program or activity, the Title IX Coordinator or designee will promptly notify the complainant of the grievance process. The District will treat complainants and respondents equitably during the grievance process. Sexual harassment is a form of sex discrimination, and any incident of sexual harassment under Title IX, as defined above, shall be handled pursuant to Section I of these Administrative Regulations. Any allegations of sexual harassment under Title VII or Connecticut law, as defined above, shall be handled pursuant to this Section II of these Administrative Regulations.

C. <u>Grievance Procedures</u>

1. As soon as an employee feels that the employee has been subjected to sex discrimination other than sexual harassment as defined under Title IX (including, without limitation, sexual harassment under Title VII or Connecticut law), the employee should make a written complaint to the Title IX Coordinator or to the building principal, or designee. The employee will be provided a copy of the Board's Policy and Administrative Regulations and made aware of the employee's rights under this Policy and Administrative Regulations. Preferably, complaints should be filed within ten (10) school days of the alleged occurrence. Timely reporting of complaints facilitates the investigation and resolution of such complaints.

2. The complaint should state the:

- i. Name of the complainant;
- ii. Date of the complaint;
- iii. Date(s) of the alleged discrimination;
- iv. Name(s) of the alleged discriminator(s);
- v. Location where such <u>alleged</u> discrimination occurred;

- vi. Names of any witness(es) to the <u>alleged</u> discrimination;
- vii. Detailed statement of the circumstances constituting the alleged discrimination; and
- viii. Remedy requested.

3. Any employee who makes an oral complaint of <u>alleged</u> sex discrimination to any of the above-mentioned personnel will be provided a copy of these Administrative Regulations and will be requested to make a written complaint pursuant to the above procedure.

4. All complaints are to be forwarded immediately to the building principal or designee unless that individual is the subject of the complaint, in which case the complaint should be forwarded directly to the Superintendent of Schools or designee. In addition, a copy of any complaint filed under this Policy shall be forwarded to the Title IX Coordinator. If the complaint being filed is against the Title IX Coordinator, the complaint should be filed with the Superintendent. If the complaint being filed is against the Superintendent, the complaint should be filed with the Board Chair, who will then retain an independent investigator a third-party contractor to investigate the matter.

5. The Title IX Coordinator or designee shall investigate all complaints of sex discrimination against an employee, regardless of whether the conduct occurred on or off-school grounds. Complaints will be investigated promptly within the timeframes identified below. Timeframes may be extended as needed given the complexity of the investigation, availability of individuals with relevant information, and other extenuating circumstances. The investigation shall be conducted discreetly, maintaining confidentiality insofar as possible while still conducting an effective and thorough investigation.

6. Any employee who makes a complaint shall be notified of the District's intent to investigate the complaint. In the event the employee requests confidentiality or that an investigation not be conducted, the District will take reasonable steps to investigate and respond to the complaint to the extent possible, given the request for confidentiality or that the District not investigate the complaint. If the employee insists that this information not be shared with the alleged discriminator(s), the employee will be informed that the District's ability to investigate and/or take corrective action may be limited.

 7. Upon receipt of a sex discrimination complaint, the Title IX Coordinator shall either promptly commence an investigation of the complaint, or shall designate a school administrator or third-party contractor to promptly investigate the complaint. The Title IX Coordinator or designee shall:

i. offer to meet with the complainant and respondent (if applicable) separately within ten (10) school days to discuss the nature of the complaint, identify individuals the complainant and respondent (if applicable) believe have relevant information, and obtain any relevant documents the complainant and respondent may have;

ii. provide the complainant and respondent (if applicable) with a copy of the Board's sex discrimination policy and accompanying regulations;

- iii. consider whether any interim measures may be appropriate to protect the complainant or respondent (if applicable), pending the outcome of the investigation;
- iv. conduct an investigation that is adequate, reliable, and impartial. Investigate the factual basis of the complaint, including, as applicable, conducting interviews with individuals deemed relevant to the complaint;
- v. consider whether alleged sex discrimination has created a hostile work environment, including consideration of the effects of off-campus conduct on the school;
- vi. communicate the outcome of the investigation in writing to the complainant, to the respondent, and to any individual properly identified as a party to the complaint (to the extent permitted by state and federal confidentiality requirements), within ninety (90) school days from the date the complaint was received by the Superintendent's office. The investigator may extend this deadline for no more than fifteen (15) additional school days if needed to complete the investigation. The complainant and respondent (if applicable) shall be notified of such extension. The written notice shall include a finding whether the complaint was substantiated and if so, shall identify, to the extent possible, how the District will remedy the discrimination, adhering to the requirements of state and federal law; and
- vii. when sex discrimination has been found, take steps that are reasonably calculated to end the discrimination, take corrective and/or disciplinary action aimed at preventing the recurrence of the discrimination, as deemed appropriate by the Superintendent or designee, and take steps <u>designed</u> to remedy the effects of the sex discrimination.
- 8. If a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of staff and/or other individuals who may have information relevant to the complaint. If fixed timeframes cannot be met, the complainant and respondent will receive notice and interim measures may be implemented as necessary.
- 9. If the complainant or respondent (if applicable) is dissatisfied with the findings of the investigation, the complainant or respondent may file a written appeal within five (5) school days to the Title IX Coordinator, or, if the Title IX Coordinator conducted the investigation, to the Superintendent of Schools. The Title IX Coordinator or Superintendent shall review the Title IX Coordinator or designee's written report, the information collected by the Title IX Coordinator or designee together with the recommended disposition of the complaint to determine whether the alleged conduct constitutes sex discrimination. The Title IX Coordinator or Superintendent of Schools

may determine if further action and/or investigation is warranted. After completing this review, the Title IX Coordinator or Superintendent of Schools shall respond to the complainant and respondent (if applicable), in writing, within fifteen (15) school days following the receipt of the written request for review.

D. Miscellaneous

- 1. If a sex discrimination complaint raises a concern about discrimination or harassment on the basis of any other legally protected classification (such as race, religion, color, national origin, age, or disability), the Title IX Coordinator or designee shall make a referral to other appropriate personnel within the District (e.g. Section 504 Coordinator, etc.), so as to ensure that any such investigation complies with the requirements of policies regarding nondiscrimination.
- 2. If the sex discrimination complaint results in reasonable cause to suspect or believe that a child has been abused or neglected, has had a nonaccidental physical injury, or injury which is at variance with the history given of such injury, is placed at imminent risk of serious harm, or that a student has been sexually assaulted by a school employee, then, the person to whom the complaint is given or who receives such information shall report such matters in accordance with the Board's policy on the Reports of Suspected Child Abuse or Neglect of Children.
- 3. Retaliation against any individual who complains pursuant to the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel) and these Administrative Regulations is strictly prohibited. Neither the District nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IXapplicable law or these Administrative Regulations, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under these Administrative Regulations. The District will take actions designed to prevent retaliation as a result of filing a complaint. Complaints alleging retaliation may be filed according to the grievance procedures for sex discrimination described herein.

Section III. Further Reporting

#4118.1 Non-Discrimination

The Board of Education (the "Board") will not make employment decisions (including decisions related to hiring, assignment, compensation, promotion, demotion, disciplinary action and termination) on the basis of race, religion, color, national origin, ancestry, alienage, sex, sexual orientation, marital status, age, disability, pregnancy, genetic information, gender identity or expression, or veteran status, status as a victim of domestic violence, sexual assault, or human trafficking, or any other basis prohibited by state or federal law ("Protected Class") except in the case of a bona fide occupational qualification.

It is the policy of the Board that any form of discrimination or harassment on the basis of an individual's actual or perceived membership in a Protected Class, whether by students, Board employees, Board members or third parties subject to the control of the Board is prohibited. The Board's prohibition of discrimination or harassment in its educational programs or activities expressly extends to academic, nonacademic and extracurricular activities, including athletics. The Board will not discriminate against any employee or applicant for employment solely on the basis of the individual's erased criminal history record information, as defined in Conn. Gen. Stat. § 46a-80a.

The Board further prohibits reprisal or retaliation against any individual who reports incidents in good faith that may be a violation of this policy, or who participates in the investigation of such reports.

Discrimination and/or harassment against any individual on the basis of that individual's association with someone in a Protected Class may also be considered a form of Protected Class discrimination and/or harassment, and is therefore prohibited by this policy.

All complaints are to be forwarded immediately to the Superintendent or designee. Upon receipt of a complaint alleging harassment or discrimination under this complaint procedure, the Superintendent shall designate a District administrator (or other trained individual) to promptly investigate the complaint. During the course of the investigation, the investigator shall interview or consult with all individuals

reasonably believed to have relevant information, including the individual alleged to have experienced Protected Class discrimination and/or harassment (the "complainant"), the alleged harasser/discriminator ("respondent") and any witnesses to the conduct. Complaints will be investigated promptly within the time frames identified below. Time frames may be extended as needed given the complexity of the investigation, availability of individuals with relevant information and/or other extenuating circumstances. Confidentiality will be maintained by all persons involved in the investigation to the extent possible to the extent consistent with principals of due process, as determined by the investigator.

Upon receipt of a written complaint of alleged discrimination or harassment, the investigator should:

1. Offer to meet with the complainant (and respondent, if applicable) within ten (10) business days (provided that such time frame may be reasonably extended based on the availability of necessary witnesses and/or participants, the complexity of the investigation, and/or other extenuating circumstances) to discuss the nature of the complaint, discuss the availability of interim measures, identify individuals the complainant or respondent believes has relevant information, and obtain any relevant documents the complainant or respondent may have;

2. Provide the complainant (and respondent, if applicable) with a copy of the Board's non-discrimination policy and accompanying regulations;

3. Conduct an investigation that is adequate, reliable, and impartial. Investigate the factual basis of the complaint, including, as applicable conducting interviews with the parties to the complaint and any relevant witnesses or other individuals deemed relevant to the complaint;

5. Maintain confidentiality to the extent practicable throughout the investigative process, in accordance with state and federal law;

 6. Complete a final investigation report that includes: (i) a findings of fact based on the evidence gathered; (ii) for each allegation, the conclusion(s) and reasoning(s) as to whether the discrimination or harassment occurred; and (iii) for any individual(s) found to have engaged in discrimination or harassment, a broad statement of consequences imposed (to the extent permitted by state and federal confidentiality requirements) (i.e. "Consequences were imposed.").

7. Communicate the outcome of the investigation in writing to the complainant (and respondent, if applicable) (to the extent permitted by state and federal confidentiality requirements), within thirty (30) business days (provided that such time frame may be reasonably extended based on the availability of necessary witnesses and/or participants, the complexity of the investigation, and/or other extenuating circumstances) from the date the complaint was received by the Superintendent's office. The complainant (and respondent, if applicable) shall be notified of any extension of the investigation timeline. The written notice shall include a finding whether the complaint was substantiated and if so, shall identify, to the extent possible, how the District will

take steps designed to remedy the discrimination or harassment, adhering to the requirements of state and federal law;

8. If a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of employees and/or other individuals who may have information relevant to the complaint. If fixed time frames cannot be met, the complainant (and respondent, if applicable) will receive notice and interim measures may be implemented as necessary;

9. Whenever allegations are verified, ensure that appropriate corrective action is taken (including, but not limited to, disciplinary action) aimed at preventing the recurrence of the discrimination or harassment. Corrective action should include steps designed to avoid continuing discrimination or harassment;

10. After receiving the written notice of the outcome, parties shall have ten (10) school days to submit a formal written statement of appeal, if they so choose, to the Superintendent challenging the outcome of the investigation and explaining the basis for appeal. Upon receipt of an appeal, the Superintendent shall appoint a decisionmaker(s) for the appeal, who may be the Superintendent or designee. The decisionmaker(s) for the appeal will provide the appealing party's written statement to the non-appealing party. The non-appealing party will then have ten (10) school days to submit to the decision-maker(s) for the appeal a written statement in support of, or challenging, the outcome of the investigation. The decisionmaker(s) for the appeal shall review the evidence and the information presented by the parties and determine if further action and/or investigation is warranted. Such action may include consultation with the investigator(s) and the parties, a meeting with appropriate individuals to attempt to resolve the complaint, or a decision affirming or overruling the written outcome. Generally, a party's disagreement with the outcome of the investigation, alone, will not be basis for further action. The decisionmaker(s) for the appeal will attempt to issue written notice of the outcome of the appeal to the parties within thirty (30) school days of receipt of all written statements from the parties.

If the District makes a finding of discrimination, harassment or retaliation, the District will take appropriate remedial action designed to 1) eliminate the discriminatory/harassing conduct, 2) prevent its recurrence, and 3) address its effects on the complainant and any other affected individuals. Examples of appropriate action may include:

A. In the case of a student respondent, interventions for the individual who engaged in the discrimination/harassment may include, but are not limited to, discipline (including but not limited to suspension and/or expulsion), educational interventions, exclusion from extracurricular activities and/or sports programs, and/or referral to appropriate state or local agencies;

B. In the case of an employee respondent, interventions for the individual who engaged in the discrimination/harassment may include, but are not limited to, supervisor notification, discipline (including possible termination of employment), training, and/or referral to appropriate state or local agencies;

C. In the case of respondent who is otherwise associated with the school community, interventions for the individual who engaged in the discrimination/harassment may include, but are not limited

- 227 to, exclusion from school property and/or activities and/or referral to appropriate state or local agencies;
 - D. Follow-up inquiries with the complainant and witnesses to ensure that the discriminatory/harassing conduct has stopped and that they have not experienced any retaliation;
 - E. Training or other interventions for the larger school community to ensure that students, staff, and parents understand the types of behavior that constitute discrimination/harassment, that the District does not tolerate it, and how to report it.

District staff members and administrators will work with students and parents/guardians to take steps designed to prevent acts of discrimination, harassment and retaliation.

It is the policy of the Madison Board of Education (the "Board") for the Madison Public Schools (the "District") that any form of sex discrimination or sexual harassment is prohibited in the Board's education programs and activities, whether by students, Board employees or third parties subject to substantial control by the Board. The Board does not discriminate on the basis of sex in the education programs or activities that it operates and the Board is required by Title IX of the Education Amendments of 1972 and its implementing regulations ("Title IX") and Connecticut Law not to discriminate in such a manner. Discrimination or harassment on the basis of sex includes discrimination or harassment on the basis of gender identity or sexual orientation. Students, Board employees and third parties are required to adhere to a standard of conduct that is respectful of the rights of students, employees and third parties. Any student or employee who engages in conduct prohibited by this policy shall be subject to disciplinary action, up to and including expulsion or termination, respectively.

- 16 For conduct to violate this Title IX, the conduct must have occurred in an education program or activity
- of the Board; the conduct must have occurred within the United States of America; and the complainant
- must be participating in or attempting to participate in the education program or activity of the Board.
- 19 Conduct that does not meet these requirements still may constitute a violation of another Board policy.
- 20 The Superintendent of Schools shall develop Administrative Regulations implementing this Policy and
- 21 in accordance with Title IX and Connecticut Law (the "Administrative Regulations").

- 23 **Sex discrimination** occurs when a person, because of the person's sex, is denied participation in or the
- benefits of any education program or activity receiving federal financial assistance.
- 25 Sexual harassment under Title IX means conduct on the basis of sex that satisfies one or more of the
- 26 following:
- 27 (1) An employee of the Board conditioning the provision of an aid, benefit, or service of the Board on an
- individual's participation in unwelcome sexual conduct (i.e., quid pro quo);

- 29 (2) Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively 30 offensive that it effectively denies a person equal access to the Board's education programs or 31 activities; or
- 32 (3) "Sexual assault" as defined in 20 U.S.C. 1092(f)(6)(A)(v), "dating violence" as defined in 34 U.S.C. 12291(a) (10), "domestic violence" as defined in 34 U.S.C. 12291(a)(8), or "stalking" as defined in 34 U.S.C. 12291(a)(30).

- 36 Sexual harassment under Connecticut law means conduct in a school setting that 1) is sexual in nature;
- 2) is unwelcome; and 3) denies or limits a student's ability to participate in or benefit from a school's
- 38 educational program. Sexual harassment can be verbal, nonverbal or physical. Sexual violence is a
- form of sexual harassment. <u>Under Connecticut law, discrimination or harassment on the basis of sex</u>
- 40 includes discrimination or harassment on the basis of sexual orientation or gender identity and

It is the express policy of the Board to encourage victims of sex discrimination and/or sexual harassment to report such claims. Students are encouraged to report complaints of sex discrimination and/or sexual harassment promptly in accordance with the appropriate process set forth in the Administrative Regulations. The Board directs its employees to respond to such complaints in a prompt and equitable manner. The Board further directs its employees to maintain confidentiality to the extent appropriate and not tolerate any reprisals or retaliation that occur as a result of the good faith reporting of charges of sex discrimination and/or sexual harassment. Any such reprisals or retaliation will result in disciplinary action against the retaliator, up to and including expulsion or termination as appropriate.

53

Any Board employee with notice of sex discrimination and/or sexual harassment allegations shall immediately report such information to the building principal and/or the Title IX Coordinator, or if the employee does not work in a school building, to the Title IX Coordinator.

57

The Madison Public Schools administration (the "Administration") shall provide training to Title IX Coordinator(s), investigators, decision-makers, and any person who facilitates an informal resolution

process (as set forth in the Administrative Regulations) on the definitions of sex discrimination and sexual harassment, the scope of the Board's education program and activity, how to conduct an investigation and grievance process, and how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias. The Administration shall make the training materials used to provide these trainings publicly available on the Board's website. The Administration shall also periodically provide training to all Board employees on the topic of sex discrimination and sexual harassment under Title IX and Connecticut Law, which shall include but not be limited to when reports of sex discrimination and/or sexual harassment must be made. The Administration shall distribute this Policy and the Administrative Regulations to staff, students and parents and legal guardians and make the Policy and the Administrative Regulations available on the Board's website to promote an environment free of sex discrimination and sexual harassment.

The Board's Title IX Coordinator is the Director of Special Education. Any individual may make a report of sex discrimination and/or sexual harassment to any Board employee or directly to the Title IX Coordinator as follows:

Title IX of the Education Amendments of 1972—Prohibition of Sex Discrimination and Sexual Harassment

 It is the policy of the Madison Board of Education (the "Board") for the Madison Public Schools ("the District") that any form of sex discrimination or sexual harassment is prohibited, whether by students, District employees or third parties subject to substantial control by the Board. Discrimination or harassment on the basis of sex includes discrimination or harassment on the basis of gender identity or sexual orientation. Students, District employees and third parties are expected to adhere to a standard of conduct that is respectful of the rights of students, District employees, and third parties. Any student or employee who engages in conduct prohibited by the Board's Policy regarding Title IX of the Education Amendments of 1972 Prohibition of Sex Discrimination and Sexual Harassment (Students) shall be subject to disciplinary action. Any third party who engages in conduct prohibited by the Board's Policy regarding Title IX of the Education Amendments of 1972 Prohibition of Sex Discrimination and Sexual Harassment (Students) shall be subject to remedial measures, which may include exclusion from school property.

- **Sex discrimination** occurs when a person, because of the person's sex, is denied participation in or the benefits of any education program or activity receiving federal financial assistance.
- Sexual harassment under Title IX means conduct on the basis of sex that satisfies one or more of the following:

- 24 (2) Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's education programs or activities; or
- 27 (3) "Sexual assault" as defined in 20 U.S.C. 1092(f)(6)(A)(v), "dating violence" as defined in 34 U.S.C. 12291(a)(10), "domestic violence" as defined in 34 U.S.C. 12291(a)(8), or "stalking" as defined in 34 U.S.C. 12291(a)(30). These definitions can be found in Appendix A of these Administrative Regulations.
 - **Sexual harassment under Connecticut law** means conduct in a school setting that 1) is sexual in nature; 2) is unwelcome; and 3) denies or limits a student's ability to participate in or benefit from a school's educational program. Sexual harassment can be verbal, nonverbal or physical. Sexual violence is a form of sexual harassment. <u>Under Connecticut law, discrimination or harassment on the basis of sexual orientation or gender identity and expression.</u>

Although not an exhaustive list, the following are other examples of conduct prohibited by the Board's Policy regarding Title IX of the Education Amendments of 1972-Prohibition of Sex Discrimination and Sexual Harassment (Students):

- 1. Statements or other conduct indicating that a student's submission to, or rejection of, sexual overtures or advances will affect the student's grades and/or other academic progress.
 - 2. Unwelcome attention and/or advances of a sexual nature, including verbal comments, sexual invitations, leering and physical touching.
 - 3. Display of sexually suggestive objects, or use of sexually suggestive or obscene remarks, invitations, letters, emails, text messages, notes, slurs, jokes, pictures, cartoons, epithets or gestures.
 - 4. Touching of a sexual nature or telling sexual or dirty jokes.
 - 5. Transmitting or displaying emails or websites of a sexual nature.
 - 6. Using computer systems, including email, instant messaging, text messaging, blogging or the use of social networking websites, or other forms of electronic communications, to engage in any conduct prohibited by the Board's Policy regarding Title IX of the Education Amendments of 1972-Prohibition of Sex Discrimination and Sexual Harassment (Students).

NOTICE OF THE TITLE IX COORDINATOR

The District's Title IX Coordinator is the Director of Special Education. Any individual may make a report of sex discrimination and/or sexual harassment to any District employee or directly to the Title IX Coordinator using any one, or multiple, of the following points of contact:

Director of Special Education 10 Campus Drive Madison, CT 06443 203-245-6341

Any District employee in receipt of allegations of sex discrimination or sexual harassment, or in receipt of a formal complaint, shall immediately forward such information to the Title IX Coordinator. The Title IX Coordinator manages the District's compliance with Title IX and Connecticut law regarding sexual harassment and sex discrimination and is an available resource to anyone seeking information or wishing to file a formal complaint of same. When a student, District employee, or other participant in the District's programs and activities feels that such person has been subjected to discrimination on the basis of sex in any District program or activity, including without limitation being subjected to sexual harassment, such person may contact the Title IX Coordinator or utilize the Title IX grievance systems set forth herein to bring concerns forward for the purpose of obtaining a prompt and equitable resolution.

EXPLANATION OF COMPLAINT PROCESS AND PROCEDURE

The federal regulations implementing Title IX require the adoption and publication of two separate grievance systems: a grievance process for complaints of sex discrimination involving allegations of sexual harassment <u>under Title IX</u> and grievance procedures for complaints of sex discrimination that are not sexual harassment <u>under Title IX</u>. Accordingly, the Administration will process any complaints of sex discrimination involving allegations of sexual harassment <u>under Title IX</u>, as defined above, pursuant to the **grievance process** set forth in Section I of these regulations. The Administration will process any

- complaints of sex discrimination that are not(including allegations of sexual harassment under Connecticut law only) pursuant to the grievance procedures set forth in Section II of these regulations.
- The District will keep confidential the identity of any individual who has a made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual
- harassment, any complainant, any individual who has been reported to be the perpetrator of sex
- 93 discrimination, any respondent, and any witness, except as may be permitted by the Family Educational
- 94 Rights and Privacy Act (FERPA), or as required by law, or to carry out the purposes of these
- 95 Administrative Regulations, including the conduct of any investigation, hearing, or judicial proceeding
- 96 arising from these Administrative Regulations.

The obligation to comply with Title IX is not obviated or alleviated by the FERPA.

- **Bias** occurs when it is proven that the Title IX Coordinator, investigator(s), and/or decision-maker(s) demonstrate actual bias, rather than the appearance of bias. Actual bias includes, but is not limited to, demonstrated personal animus against the respondent or the complainant and/or prejudgment of the facts at issue in the investigation.
- **Complainant** means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.
 - A **conflict of interest** occurs when it is proven that the Title IX Coordinator, investigator(s), and/or decision-maker(s) have personal, financial and/or familial interests that affected the outcome of the investigation.
- **Consent** means an active, clear and voluntary agreement by a person to engage in sexual activity with another person (also referred to hereafter as "affirmative consent").
 - For the purposes of an investigation conducted pursuant to these Administrative Regulations, the following principles shall be applied in determining whether consent for sexual activity was given and/or sustained:
 - A. Affirmative consent is the standard used in determining whether consent to engage in sexual activity was given by all persons who engaged in the sexual activity.
 - B. Affirmative consent may be revoked at any time during the sexual activity by any person engaged in the sexual activity.
 - C. It is the responsibility of each person engaging in a sexual activity to ensure that the person has the affirmative consent of all persons engaged in the sexual activity to engage in the sexual activity and that the affirmative consent is sustained throughout the sexual activity.

D. It shall not be a valid excuse to an alleged lack of affirmative consent that the respondent to the alleged violation believed that the complainant consented to the sexual activity:

- (i) because the respondent was intoxicated or reckless or failed to take reasonable steps to ascertain whether the complainant consented, or
- (ii) if the respondent knew or should have known that the complainant was unable to consent because such individual was unconscious, asleep, unable to communicate due to a mental or physical condition, unable to consent due to the age of the individual or the age difference between the individual and the respondent, or incapacitated due to the influence of drugs, alcohol or medication.
- E. The existence of a past or current dating or sexual relationship between the complainant and the respondent, in and of itself, shall not be determinative of a finding of consent.
- For purposes of investigations and complaints of sexual harassment, **education program or activity** includes locations, events, or circumstances over which the Board exercises substantial control over both the respondent and the context in which the sexual harassment occurs.
- Employee means (A) a teacher, substitute teacher, school administrator, school superintendent, guidance counselor, school counselor, psychologist, social worker, nurse, physician, school paraprofessional or coach employed by the Board or working in a public elementary, middle or high school; or (B) any other individual who, in the performance of the individual's duties, has regular contact with students and who provides services to or on behalf of students enrolled in a public elementary, middle or high school, pursuant to a contract with the Board.
- Formal complaint means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment (as defined under Title IX) against a respondent and requesting that the Administration investigate the allegation of sexual harassment. A "document filed by a complainant" means a document or electronic submission that contains the complainant's physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint.
- **Respondent** means an individual who has been alleged to be the perpetrator of conduct that could constitute sexual harassment.
- School days means the days that school is in session as designated on the calendar posted on the Board's website. In its discretion, and when equitably applied and with proper notice to the parties, the District may consider business days during the summer recess as "school days" if such designation facilitates the prompt resolution of the grievance process.
- Supportive measures mean non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the District's education program or activity without unreasonably burdening the other party, including

measures designed to protect the safety of all parties or the District's educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, mutual restrictions on contact between the parties, increased security and monitoring, and other similar measures.

B. Reporting Sexual Harassment

- 1. It is the express policy of the Board to encourage victims of sexual harassment to report such claims. Any person may report sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sexual harassment), in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator. If the District receives notice of sexual harassment or alleged sexual harassment against a student in the District's education program or activity, the Title IX Coordinator will promptly contact the complainant to discuss the availability of supportive measures, whether or not the complainant files a formal complaint, and will consider the complainant's wishes with respect to such measures. If the complainant has yet to file a formal complaint, the Title IX Coordinator will explain to the complainant the process for doing so.
- 2. The District will treat complainants and respondents equitably. A respondent is presumed not responsible for the alleged conduct and a determination regarding responsibility will be made at the conclusion of the grievance process if a formal complaint is filed. Nothing in this Regulation shall limit or preclude the District from removing a respondent from the District's education program or activity on an emergency basis, provided that the District undertakes an individualized safety and risk analysis, and determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal. If a respondent is removed on an emergency basis, the District shall provide the respondent with notice and an opportunity to challenge the decision immediately following the removal.

C. Formal Complaint and Grievance Process

- 1. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information listed for the Title IX Coordinator. At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in the District's education programs or activity. A formal complaint may be signed by the Title IX Coordinator. If the formal complaint being filed is against the Title IX Coordinator, the formal complaint should be filed with the Superintendent. If the formal complaint being filed is against the Superintendent, the formal complaint should be filed with the Board Chair, who will then retain an independent investigator third-party contractor to investigate the matter.
- 2. The District may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances. If possible, formal complaints should be filed within ten (10) school days of the alleged occurrence in order to facilitate the prompt and equitable resolution of such claims. The District will attempt to complete the formal grievance process within ninety (90)

school days of receiving a formal complaint. This timeframe may be temporarily delayed or extended in accordance with Subsection G of this Section.

- 3. Upon receipt of a formal complaint, if the Title IX Coordinator has not already discussed the availability of supportive measures with the complainant, the Title IX Coordinator will promptly contact the complainant to discuss the availability of such measures and consider the complainant's wishes with respect to them. The Title IX Coordinator or designee may also contact the respondent, separately from the complainant, to discuss the availability of supportive measures for the respondent. The District will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the District to provide such supportive measures.
- 4. Within ten (10) school days of receiving a formal complaint, the District will provide the known parties with written notice of the allegations potentially constituting sexual harassment under Title IX and a copy of this grievance process. The written notice must also include the following:
 - i. The identities of the parties involved in the incident, if known;
 - ii. The conduct allegedly constituting sexual harassment as defined above;
 - iii. The date and the location of the alleged incident, if known;
 - iv. A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process;
 - v. A statement that the parties may have an advisor of their choice, who may be, but is not required to be, an attorney, and may inspect and review evidence; and
 - vi. A statement of any provision in the District's Student Discipline Policy or any other policy that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

If, in the course of an investigation, the District decides to investigate allegations about the complainant or respondent that are not included in the written notice, the District must provide notice of the additional allegations to the parties whose identities are known.

- 5. The parties may have an advisor of their choice accompany them during any grievance proceeding at which the party's attendance is required. The District may, in its discretion, establish certain restrictions regarding the extent to which an advisor may participate in the proceedings. If any such restrictions are established, they will be applied equally to all parties.
- 6. The Title IX Coordinator will, as applicable, promptly commence an investigation of the formal complaint, designate a school administrator or third-party contractor to promptly investigate the formal complaint, or dismiss the formal complaint in accordance with Subsection F of this Section. The standard of evidence to be used to determine responsibility is the preponderance of the evidence standard (i.e., more likely than not). The burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the District and not on the parties.
- 7. The parties will be given an equal opportunity to discuss the allegations under investigation with the investigator(s) and are permitted to gather and present relevant evidence. This opportunity

- includes presenting witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence. Credibility determinations will not be based on a person's status as a complainant, respondent, or witness. The District will provide to a party whose participation is invited or expected (including a witness), written notice of the date, time, location, participants, and purpose of all hearings (if applicable), investigative interviews, or other meetings, with sufficient time for the party to prepare to participate.
- 8. Both parties will be given an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in the formal complaint, including the evidence upon which the District does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to the conclusion of the investigation. Prior to completion of the investigative report, the District will send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties will have ten (10) school days to submit a written response, which the investigator(s) will consider prior to completion of the investigative report, as described in Paragraph 9 of this Subsection.
- 9. The investigator(s) will create an investigative report that fairly summarizes relevant evidence. The investigator(s) will send the investigative report, in an electronic format or hard copy, to each party and to each party's advisor for their review and written response at least ten (10) school days prior to the time a determination regarding responsibility is made.
- 10. The Superintendent will appoint a decision-maker(s), who shall be a District employee or thirdparty contractor and who shall be someone other than the Title IX Coordinator or investigator(s). If the formal complaint filed is against the Superintendent, the Board Chair shall appoint the decision-maker, who shall be a District employee or third-party contractor and who shall be someone other than the Title IX Coordinator or investigator(s). The investigator(s) and the decision-maker(s) shall not discuss the investigation's facts and/or determination while the formal complaint is pending. The decision-maker(s) will afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. The decision-maker(s) will explain to the party proposing the questions any decisions to exclude a question as not relevant.
- 11. The decision-maker(s) will issue a written determination regarding responsibility. To reach this determination, the decision-maker must apply the preponderance of the evidence standard. The written determination will include: (1) identification of the allegations potentially constituting sexual harassment; (2) a description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held; (3) findings of fact supporting the determination; (4) conclusions regarding the application of the

District's code of conduct to the facts; (5) a statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the District will impose on the respondent, and whether remedies designed to restore or preserve equal access to the District's education program or activity will be provided by the District to the complainant; and (6) the District's procedures and permissible bases for the complainant and respondent to appeal. If the respondent is found responsible for violating the Board's Policy regarding Title IX of the Education Amendments of 1972-Prohibition of Sex Discrimination and Sexual Harassment (Students), the written determination shall indicate whether the respondent engaged in sexual harassment as defined by the Board's Policy and these Administrative Regulations. The written determination will be provided to both parties simultaneously.

B12

12. Student respondents found responsible for violating the Board's Policy regarding Title IX of the Education Amendments of 1972-Prohibition of Sex Discrimination and Sexual Harassment (Students) may be subject to discipline up to and including expulsion. Employee respondents found responsible for violating the Board's Policy regarding Title IX of the Education Amendments of 1972-Prohibition of Sex Discrimination and Sexual Harassment (Students) may be subject to discipline up to and including termination of employment. Other respondents may be subject to exclusion from the District's programs, activities and/or property. In appropriate circumstances, the District may make a criminal referral. Remedies will be designed to restore or preserve equal access to the District's education programs or activities.

13. After receiving notification of the decision-maker's decision, or after receiving notification that the District dismissed a formal complaint or any allegation therein, both complainant and respondent may avail themselves of the appeal process set forth in Subsection E of this Section.

D. Informal Resolution

At any time prior to reaching a determination regarding responsibility, but only after the filing of a formal complaint, the District may suggest to the parties the possibility of facilitating an informal resolution process, such as mediation, to resolve the formal complaint without the need for a full investigation and adjudication. If it is determined that an informal resolution may be appropriate, the Title IX Coordinator or designee will consult with the parties.

Prior to facilitating an informal resolution to a formal complaint, the Title IX Coordinator or designee will provide the parties with written notice disclosing the sexual harassment allegations, the requirements of an informal resolution process, and any consequences from participating in the informal resolution process. Upon receipt of this document, complainants and respondents have five (5) school days to determine whether they consent to participation in the informal resolution. The District must obtain voluntary, written consent to the informal resolution process from both parties.

Prior to agreeing to any resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint. If a satisfactory resolution is reached through this informal process, the matter will be considered resolved. If these efforts are unsuccessful, the formal grievance process will continue.

- Nothing in this section precludes a student from filing a complaint of retaliation for matters related to an informal resolution, nor does it preclude either party from filing complaints based on conduct that is alleged to occur following the District's facilitation of the informal resolution.
- An informal resolution is not permitted to resolve allegations that an employee sexually harassed a student.

E. <u>Appeal Process</u>

After receiving notification of the decision-maker's decision, or after receiving notification that the District dismissed a formal complaint or any allegation therein, both complainant and respondent have five (5) school days to submit a formal letter of appeal to the Title IX Coordinator specifying the grounds upon which the appeal is based. Upon receipt of an appeal, the Superintendent shall appoint a decision-maker(s) for the appeal, who shall be someone other than the Title IX Coordinator, investigator(s), or initial decision-maker(s).

- Appeals will be appropriate only in the following circumstances:
- new evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter;
 - procedural irregularity that affected the outcome of the matter;
 - the Title IX Coordinator, investigator(s), and/or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter. A conflict of interest or bias does not exist solely because the Title IX Coordinator, investigators(s), and/or decision-maker(s) previously worked with or disciplined the complainant or respondent.

The District will provide the other party with written notice of such appeal. The appealing party will then have ten (10) school days to submit to the decision-maker(s) for the appeal a written statement in support of, or challenging, the outcome of the grievance process. The decision-maker(s) for the appeal will provide the appealing party's written statement to the other party. The other party will then have ten (10) school days to submit to the decision-maker(s) for the appeal a written statement in support of, or challenging, the outcome of the grievance process. The decision-maker(s) for the appeal, in their discretion, will determine any additional necessary and appropriate procedures for the appeal.

After considering the parties' written statements, the decision-maker(s) for the appeal will provide a written decision. The decision-maker(s) for the appeal will attempt to issue the written decision within thirty (30) school days of receipt of all written statements from the parties. If it is found that one of the bases for appeal exists, the decision-maker(s) for the appeal will issue an appropriate remedy.

Supportive measures for either or both parties may be continued throughout the appeal process.

F. <u>Dismissal of a Formal Complaint</u>

The Title IX Coordinator shall dismiss any formal complaint that, under Title IX 1) would not constitute sexual harassment as defined under Title IX even if proved, 2) did not occur in the

District's education program or activity, or 3) did not occur against a person in the United States. Such dismissal does not preclude action under another Board policy.

The District may dismiss a formal complaint or any allegations therein, if at any time during the investigation or hearing: 1) a complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein; 2) the respondent is no longer enrolled or employed in the District; or 3) specific circumstances prevent the District from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

Upon a dismissal, the District will promptly and simultaneously send written notice of the dismissal and reason(s) therefor to each party. Either party can appeal from the District's dismissal of a formal complaint or any allegations therein using the appeals procedure.

In the event a formal complaint is dismissed prior to the issuance of a decision under Title IX, the Title IX Coordinator shall determine if the allegations of sexual harassment shall proceed through the grievance procedures identified in Section II of these Administrative Regulations for claims of sex discrimination for consideration as to whether the allegations constitute sexual harassment under Connecticut law.

A dismissal pursuant to this section does not preclude action by the District under the Student Discipline policy, Code of Conduct for students/or and employees, or any other applicable rule, policy, and/or collective bargaining agreement.

G. Miscellaneous

1. Any timeframe set forth in these Administrative Regulations may be temporarily delayed or extended for good cause. Good cause may include, but is not limited to, considerations such as the absence or illness of a party, a party's advisor, or a witness; concurrent law enforcement activity; concurrent activity by the Department of Children and Families; or the need for language assistance or accommodation of disabilities. If any timeframe is altered on a showing of good cause, written notice will be provided to each party with the reasons for the action.

2. If a sexual harassment complaint raises a concern about challenging bullying behavior (including bullying), the Title IX Coordinator shall notify the Safe—School Climate Specialist or designee who shall coordinate any bullying investigation-challenging behavior assessment with the requirements of applicable Board policies and state law. Additionally, if a sexual harassment complaint raises a concern about discrimination or harassment on the basis of any other legally protected classification (such as race, religion, color, national origin, age, or disability), the Title IX Coordinator or designee shall make a referral to other appropriate personnel within the District (e.g. Section 504 Coordinator, etc.), so as to ensure that any such investigation complies with the requirements of policies regarding nondiscrimination.

3. If the sexual harassment complaint results in reasonable cause to suspect or believe that a child has been abused or neglected, has had a nonaccidental physical injury, or injury which is at variance with the history given of such injury, is placed at imminent risk of serious harm, or that

a student has been sexually assaulted by a school employee, then, the person to whom the complaint is given or who receives such information shall report such matters in accordance with the Board's policy on the Reports of Suspected Child Abuse or Neglect of Children.

- 4. Retaliation against any individual who complains pursuant to the Board's Policy regarding Title IX of the Education Amendments of 1972-Prohibition of Sex Discrimination and Sexual Harassment (Students) and these Administrative Regulations is strictly prohibited. Neither the District nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IXapplicable law or these Administrative Regulations, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under these Administrative Regulations. The District will take actions designed to prevent retaliation. Complaints alleging retaliation may be filed according to the grievance procedures for sex discrimination described herein.
- 5. The District will maintain for a period of seven (7) years records of:
 - Each sexual harassment investigation including any determination regarding
 responsibility, any disciplinary sanctions imposed on the respondent, and any remedies
 provided to the complainant designed to restore or preserve equal access to the Board's
 education program or activity;
 - ii. Any appeal and the result therefrom;
 - iii. Any informal resolution and the result therefrom; and
 - iv. All material used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process. The Board will make these training materials publicly available on its website.

If the District has actual knowledge of sexual harassment in an education program or activity of the Board, and for any report or formal complaint of sexual harassment, the District will create and maintain for a period of seven (7) years, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. The District will document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the Board's education program or activity. If the District does not provide a complainant with supportive measures, then the District will document the reasons why such a response was not clearly unreasonable in light of the known circumstances.

SECTION II. GRIEVANCE PROCEDURES FOR CLAIMS OF SEX DISCRIMINATION (OTHER THAN SEXUAL HARASSMENT UNDER TITLE IX)

A. Definitions

- Complainant means an individual who is alleged to be the victim of conduct that could constitute sex discrimination.
 - **Respondent** means an individual who has been reported to be the perpetrator of conduct that could constitute sex discrimination.

B. Reporting Sex Discrimination Other than Sexual Harassment under Title IX

It is the express policy of the Board to encourage victims of sex discrimination to report such claims. Any person may report sex discrimination (<u>including sexual harassment as defined by Connecicut law</u>) (whether or not the person reporting is the person alleged to be the victim of <u>the alleged</u> conduct that could constitute sex discrimination), in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator. If the District receives notice of sex discrimination or alleged sex discrimination against a student in the District's education program or activity, the Title IX Coordinator or designee will promptly notify the complainant of the grievance process. The District will treat complainants and respondents equitably during the grievance process. Sexual harassment is a form of sex discrimination, and any incident of sexual harassment under Title IX, as defined above, shall be handled pursuant to Section I of these Administrative Regulations. Any allegations of sexual harassment under Connecticut law, as defined above, shall be handled pursuant to this Section II of these Administrative Regulations.

C. Grievance Procedures

1. As soon as a student feels that the student has been subjected to sex discrimination other than sexual harassment as defined under Title IX (including, without limitation, sexual harassment under Connecticut law), the student or the student's parent/legal guardian should make a written complaint to the Title IX Coordinator or to the building principal, or designee. The student and/or the student's parent/legal guardian will be provided a copy of the Board's Policy and Administrative Regulations and made aware of the student's rights under this Policy and Administrative Regulations. Preferably, complaints should be filed within ten (10) school days of the alleged occurrence. Timely reporting of complaints facilitates the investigation and resolution of such complaints.

2. The complaint should state the:

- i. Name of the complainant;
- ii. Date of the complaint;
- iii. Date(s) of the alleged discrimination;
- iv. Name(s) of the <u>alleged</u> discriminator(s);
- v. Location where such <u>alleged</u> discrimination occurred;
- vi. Names of any witness(es) to the <u>alleged</u> discrimination;

vii. Detailed statement of the circumstances constituting the alleged discrimination; and viii. Remedy requested.

- 3. Any student who makes an oral complaint of <u>alleged</u> sex discrimination to any of the above-mentioned personnel will be provided a copy of these Administrative Regulations and will be requested to make a written complaint pursuant to the above procedure. In appropriate circumstances, such as due to the age <u>or capacity</u> of the student making the complaint, a parent or school administrator may be permitted to fill out the form on the student's behalf.
- 4. All complaints are to be forwarded immediately to the building principal or designee unless that individual is the subject of the complaint, in which case the complaint should be forwarded directly to the Superintendent of Schools or designee. In addition, a copy of any complaint filed under this Policy shall be forwarded to the Title IX Coordinator. If the complaint being filed is against the Title IX Coordinator, the complaint should be filed with the Superintendent. If the complaint being filed is against the Superintendent, the complaint should be filed with the Board Chair, who will then retain an independent investigator third-party contractor to investigate the matter.
- 5. The Title IX Coordinator or designee shall investigate all complaints of sex discrimination against a student, regardless of whether the conduct occurred on or off-school grounds. Complaints will be investigated promptly within the timeframes identified below. Timeframes may be extended as needed given the complexity of the investigation, availability of individuals with relevant information, and other extenuating circumstances. The investigation shall be conducted discreetly, maintaining confidentiality insofar as possible while still conducting an effective and thorough investigation.
- 6. Any student who makes a complaint shall be notified of the District's intent to investigate the complaint. In the event the student or parent/legal guardian requests confidentiality or that an investigation not be conducted, the District will take reasonable steps to investigate and respond to the complaint to the extent possible, given the request for confidentiality or that the District not investigate the complaint. If the student or parent/legal guardian insists that the student's personally identifiable information not be shared with the alleged discriminator(s), the student and parent/legal guardian will be informed that the District's ability to investigate and/or take corrective action may be limited.
- 7. Upon receipt of a sex discrimination complaint, the Title IX Coordinator shall either promptly commence an investigation of the complaint, or shall designate a school administrator or third-party contractor to promptly investigate the complaint. The Title IX Coordinator or designee shall:
 - i. offer to meet with the complainant and respondent (if applicable) separately within ten (10) school days to discuss the nature of the complaint, identify individuals the complainant and respondent (if applicable) believe have relevant information, and obtain any relevant documents the complainant and respondent may have;
 - ii. provide the complainant and respondent (if applicable) with a copy of the Board's sex discrimination policy and accompanying regulations;
 - iii. consider whether any interim measures may be appropriate to protect the complainant or respondent (if applicable), pending the outcome of the investigation;

- iv. conduct an investigation that is adequate, reliable, and impartial. Investigate the factual basis of the complaint, including, as applicable, conducting interviews with individuals deemed relevant to the complaint;
- v. consider whether alleged sex discrimination has created a hostile school environment, including consideration of the effects of off-campus conduct on the school;
- vi. communicate the outcome of the investigation in writing to the complainant, to the respondent, and to any individual properly identified as a party to the complaint (to the extent permitted by state and federal confidentiality requirements), within ninety (90) school days from the date the complaint was received by the Superintendent's office. The investigator may extend this deadline for no more than fifteen (15) additional school days if needed to complete the investigation. The complainant and respondent (if applicable) shall be notified of such extension. The written notice shall include a finding whether the complaint was substantiated and if so, shall identify, to the extent possible, how the District will remedy the discrimination, adhering to the requirements of state and federal law; and
- vii. when sex discrimination has been found, take steps that are reasonably calculated to end the discrimination, take corrective and/or disciplinary action aimed at preventing the recurrence of the discrimination, as deemed appropriate by the Superintendent or designee, and take steps designed to remedy the effects of the sex discrimination.
- 8. If a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of staff and/or other individuals who may have information relevant to the complaint. If fixed timeframes cannot be met, the complainant and respondent will receive notice and interim measures may be implemented as necessary.
- 9. If the complainant or respondent (if applicable) is dissatisfied with the findings of the investigation, the complainant or respondent may file a written appeal within five (5) school days to the Title IX Coordinator, or, if the Title IX Coordinator conducted the investigation, to the Superintendent of Schools. The Title IX Coordinator or Superintendent shall review the Title IX Coordinator or designee's written report, the information collected by the Title IX Coordinator or designee together with the recommended disposition of the complaint to determine whether the alleged conduct constitutes sex discrimination. The Title IX Coordinator or Superintendent of Schools may determine if further action and/or investigation is warranted. After completing this review, the Title IX Coordinator or Superintendent of Schools shall respond to the complainant and respondent (if applicable), in writing, within fifteen (15) school days following the receipt of the written request for review.

D. Miscellaneous

1. If a sex discrimination complaint raises a concern about bullying challenging behavior (including bullying), the Title IX Coordinator shall notify the Safe-School Climate Specialist or designee who shall coordinate any bullying investigation challenging behavior assessment with the Title IX Coordinator, to promote the alignment of any such bullying investigation challenging behavior assessment with the requirements of applicable Board policies and state law. Additionally, if a

sex discrimination complaint raises a concern about discrimination or harassment on the basis of any other legally protected classification (such as race, religion, color, national origin, age, or disability), the Title IX Coordinator or designee shall make a referral to other appropriate personnel within the District (e.g. Section 504 Coordinator, etc.), so as to ensure that any such investigation complies with the requirements of policies regarding nondiscrimination.

- 2. If the sex discrimination complaint results in reasonable cause to suspect or believe that a child has been abused or neglected, has had a nonaccidental physical injury, or injury which is at variance with the history given of such injury, is placed at imminent risk of serious harm, or that a student has been sexually assaulted by a school employee, then, the person to whom the complaint is given or who receives such information shall report such matters in accordance with the Board's policy on the Reports of Suspected Child Abuse or Neglect of Children.
- 3. Retaliation against any individual who complains pursuant to the Board's Policy regarding Title IX of the Education Amendments of 1972-Prohibition of Sex Discrimination and Sexual Harassment (Students) and these Administrative Regulations is strictly prohibited. Neither the District nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IXapplicable law or these Administrative Regulations, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under these Administrative Regulations. The District will take actions designed to prevent retaliation as a result of filing a complaint. Complaints alleging retaliation may be filed according to the grievance procedures for sex discrimination described herein.

Section III. Further Reporting
