Dr. John Hardwick, Superintendent
Beeville Independent School District
2400 N. St. Mary's
Beeville, TX 78102

Dear Dr. Hardwick:

As per our conversations, Coastal Bend College will submit a proposal in 2008 to provide the Adult Basic Education services now performed by Beeville Independent School District. Our plan is to work with Ms. Cynthia Flores, the Director of BISD's Adult Basic Education program so that a seamless transition can be effected at the most appropriate time.

The college is interested in leasing the Lott-Canada facility owned by BISD. As part of the lease agreement, the college would be prepared to pay for the costs of maintenance, utilities, and insurance.

The college is interested in any other opportunities for our two institutions to work together for the betterment of Bee County and South Texas.

Sincerely,

A handwritten signature in cursive script that reads 'John Brockman'.
