

# MEMORANDUM OF UNDERSTANDING

## Standard Response Protocol (SRP) Memorandum of Understanding (MOU) with The “I Love U Guys” Foundation (The Foundation)

**Program Description:** The Standard Response Protocol (SRP) is a classroom response based on four actions. When communicating these actions, the action is labeled with a “Term of Art” and is then followed by a Directive. Execution of the action is performed by active participants, including students, staff, teachers and first responders.

The “Term of Art” **Lockout** is followed by the Directive “**Secure the Perimeter**”. The action associated with Lockout is to bring participants into the School Building and secures the building’s outside perimeter by locking appropriate windows, doors or other access points.

The “Term of Art” **Lockdown** is followed by the Directive “**Locks, Lights, Out of Sight**”. The action associated with Lockdown is to secure individual classroom doors, move away from inside corridor line of sight and maintain silence until first responders release the room.

The “Term of Art” **Evacuate** is followed by the Directive “**To a Location**” (Where Location is announced.) The action associated with Evacuate is to move students and staff from one location to another.

The “Term of Art” **Shelter** is followed by the Directive “**Type and Method**” (Where Type is one of the following: For Tornado, For Hazmat, For Bomb. Method is one of the following: And seal, In Silence, Drop, Cover and Hold.) The action associated with Shelter is dependent on the stated Type and Method.

**Communication:** Communication between School District and The Foundation may be accomplished through written correspondence delivered by the US Postal Service or other private carriers. Communication may also be accomplished through electronic means utilizing electronic mail, facsimile or other electronic text communications.

**Purpose:** By standardizing vocabulary, all stakeholders can understand the response and status of the event. For students, this provides continuity of expectations and actions throughout their educational career. For teachers and staff this becomes a simpler process to train and drill. For first responders, the common vocabulary and protocols establish a greater predictability that persists through the duration of an incident. Parents can easily understand the practices and can reinforce the protocol. Additionally, this protocol enables rapid response determination when an unforeseen event occurs.
