LISLE HIGH SCHOOL

Board of Education Meeting - March 24, 2025

Subject: State Championship Culinary Team Recognition

Presenter: Eric Martzolf, Principal, Lisle High School

Overview: It is our honor this evening to acknowledge the outstanding accomplishment of **Delilah Noriega** for being part of the Technology Center of DuPage's Culinary Team, which took first place and earned the **State Championship at the 2025 Illinois ProStart Invitational!**

Competing against 11 other schools, the five-member team collaborated to plan, prepare, and present a three-course meal comprised of an appetizer, main course, and dessert within a set time frame. Their dishes were judged by top chefs, hospitality professionals, and post-secondary school representatives.

Delilah played a key role in preparing the appetizer, helping to secure the State Championship, and earning the team a spot to represent Illinois at the **2025 National ProStart Invitational** in Baltimore, Maryland, on May 2-4, where they will compete against the best culinary students from across the country.

Lisle High School is extremely proud of Delilah and her teammates for their accomplishments. Congratulations!
