ATTACHMENT A

GOLD® Services

Scope of Services

Services Included

1. Daktronics parts coverage which includes:
 - 1.1. Daktronics Rapid Parts™ Exchange Program for available parts only.
 - 1.2. Repair or replacement of failed electronic parts or assemblies.
 - 1.3. Shipping of repaired or replaced failed electronic components from Daktronics.
2. Technical support via telephone during business hours as defined below.
3. Access to the Service Coordination Center.

Gold shall not include nor be construed to include any service or support that is not expressly stated above in the definition of the Gold service. Examples of services that are not within the scope of Gold service include, but are not limited to, the following:

1. On-site labor to diagnose and/or replace failed electronic components.
2. Remote monitoring services.
3. After hours telephone support.

Above listed exclusions are available as billable services. Quotes may be provided upon request.

Business Hours:

Monday through Friday, 8 am to 5 pm CST (excludes Daktronics observed holidays).

Purchaser Responsibilities

The items listed below are the responsibility of the Purchaser.

1. Purchaser is responsible for routine operator functions such as content creation or scheduling.
2. Purchaser is responsible for management of customer-owned spare parts inventory.
3. Purchaser is responsible for costs of any on-site labor to diagnose and/or replace failed electronic components.
4. Purchaser is responsible for providing lift access to the display.
5. Purchaser is responsible for the maintenance items listed below; failure to properly maintain equipment may, at Daktronics' sole discretion, relieve Daktronics of its responsibilities under the Terms and Conditions of Extended Service attached hereto.
 - 5.1. Throughout the term of this Agreement, Purchaser shall maintain site conditions within the common environmental range of all system devices as specified by Daktronics.
 - 5.2. Purchaser is responsible for routine maintenance functions.
 - 5.3. Purchaser is responsible for purchasing and maintaining antivirus software on all control devices connected to Daktronics equipment. (See Daktronics Knowledge Base for list of supported software. DD2079868 <https://www.daktronics.com/support/kb/Pages/DD2079868.aspx>)

Gold® is a registered Daktronics trademark.

This Service Agreement shall be subject to the following [Terms and Conditions of Extended Service](#).
