

# TPSD Professional Development

## Application for Teacher Trainer

This application will be used to build a list of potential teacher trainers for districtwide flex day training. If your expertise meets a district need, you will be contacted for a follow-up interview to determine whether you would be willing and able to lead training to meet district goals. Trainers will be directly involved in planning and scheduling of flex-day training modules.

## Areas of Expertise / Course Topics

The following list includes some areas of identified needs for districtwide training this spring. The list is not intended to be comprehensive. Please check areas for which you may be interested in leading professional development given support and the opportunity to participate in developing the training module. The list includes general categories and specific needs. Areas are listed as general and/or in grade bands. Teachers with teaching expertise and qualifications in the indicated grade band will be given preference.
