Upcoming Events

- November 5, per lap money will be due for Jog a Thon.
- November 6 and 7, No classes for students
- November 11 Veteran's Day no classes
- November 24-28 No classes

**L= Late Start**

The annual Applegate Jog-a-thon will take place Friday, Oct. 17. Elementary students will run from 9:30-10:30, and middle school students will run from 11 am to 12 pm. Over \$12,000 was raised by students last year! Funds raised by each grade level are placed in grade-level student body accounts and used for enrichment at our school.

## ROBOTICS TO START FIRST WEEK IN OCTOBER

Soon Applegate students will build, program and operate robots! Students will conduct research, design and build a robot that performs pre-programmed “chores”. They will then take their robots to competitions in the First Lego League to match skills with other students grades 4-8.

Students will stay after school on Tuesdays and Wednesdays to prepare for competition. Applegate parents Bill and Seana Hodge are volunteering their time to “coach” the Robotics team. This program is made possible thanks to a donation from the Friends of Applegate.

### A Note from the School Librarian

The Applegate School Library is a positive and welcoming place for all students in all grades, from Kindergarten through the 8th grade. I would like to extend this welcome to parents as well, giving you the opportunity to come in and actually see and explore the books that are offered to your students here at Applegate. I am available to talk with you regarding any questions you may have about our library policies and our book collection, and to hear about new books you feel would benefit our library.

Please, always feel free to contact me!

### “CONTACT INFORMATION and ATTENDANCE”

Parents, it is **VERY IMPORTANT** that you keep your contact information updated at all times during the school year. Please notify the office when you move, **change phone numbers** (including cell and work numbers), email address, or change your emergency contact information. This year the school and district will use your contact information for an automated and digital message system, called SYNREVOICE, to keep you informed of student absences, school closures, events, and classroom field trips. Our goal is to keep you informed at all times. Please use our district web page at [www.threerivers.k12.or.us](http://www.threerivers.k12.or.us) to keep informed of the latest calendar events. If your child is ill or absent for any reason please notify the school office before 10:00am or you will receive an automated message reminding you of the unexcused absence. If you know in advance that your student will not be at school for any reason, please notify the office by calling Melisa at 541-846-6280 or sending a note to the office.
