11. BOARD MEMBER COMMENTS AND REPORTS

Policy Committee, Finance Committee, Boundary Task Force, Communications Task Force, Facilities Task Force, Joint PTO, Geneva Academic Foundation, Geneva All-Sports Boosters, Geneva Music Boosters, Geneva High School Theater Boosters, GEARS, K-12 Discipline Committee, Geneva Coalition for Youth, PRIDE, Fox Valley Career Center, IASB/Legislative, IASB Kishwaukee Governing Board, REMS Grant Advisory Board

Board member Lamb reported that he and Kelly attended the Music and Sports Boosters meetings which were well attended. He also attended the Band Uniform meeting the following evening. There was a lot of wide spread support on the fundraising for the band uniforms. There were some very positive and creative ideas suggested on how to approach fundraising.

Board member Juby reported that she attended the Mill Creek PTO meeting with Mary, the Geneva Middle School North PTO with Kelly and the high school PTO with Mike where they talked about new initiatives, and opened it up for questions. She attended the Fermilab Open House and was excited hearing their new director speak about partnerships. They are the leading STEM education facility in the United States, and they would be happy to open up a partnership with local schools. She also attended the IASB Triple I Conference in Chicago where she attended the workshops 'Media Interest or Media Circus' and 'The Trust Edge' with Kelly.

Board member Nowak reported that she attended the Rotary meeting where there was some great discussion and questions. One of the things they would like to do is work more with the Foreign Exchange Program. The other thing that was discussed was having them participate in mentoring our students. There was one member who was willing to work with our PRIDE Program. She attended City Government Day and talked with students about what we do as Board members. She also attended the PTO meeting at Fabyan Elementary where the principal did a wonderful job of showing the parents what is done with assessment results, and how that informs decisions for interventions in the area of math. It was nice to see many of our community leaders at the Leadership Breakfast. The media workshop that she and Leslie attended was very good, as it provided information on how to reach the community in a positive way.

Board member McCormick reported that he attended the high school PTO meeting with Leslie where they shared information about facilities and Senate Bill 16. He also attended the Discipline Committee meeting with Mark where there was a great mix of parents, administrators, and Board members.

Board member Stith reported that she attended the Harrison Street Elementary PTO meeting. She also attended the Community Task Force meeting where they discussed the upcoming forum and Ralph Martire finance presentation. She announced that President Grosso was awarded the *Everyday Hero Award* from the Kane County Chronicle. She spent the week in Chicago at the IASB Triple I Conference where she realized there is so much that goes into preparing for this event. Most of the presentations and handouts will be available online for those unable to attend. The Board of Directors met and talked about Vision 20/20. This could have a great impact on distributing funds in Illinois and doing what's right for our students. They do a great presentation on just how well our schools perform. We are actually doing very well. There will be more information coming out in February on Vision 20/20.

President Grosso reported that he attended the PTO meeting at Geneva Middle School North with Mike.

12. NOTICES / ANNOUNCEMENTS
