RE: Non-Renewal of Educational Support Service Personnel

DATE: April 6, 2017

It is our practice at this time of year to dismiss a certain number of Educational Support Service Personnel because we are not sure at this point in time whether or not there will be sufficient need next fall to employ these individuals.

In the event that certain Educational Support Service positions are not required in the next school year, the Board extends a notice of dismissal at this time in the school year to decrease the number of educational support personnel employed by the Board. Taking such action at this time in the school year protects the school district from employing individuals whose position may not be available due to budget reduction, enrollment uncertainty, program elimination, or position reconfiguration.

I recommend that the Board adopt the attached resolution authorizing the dismissal of those Educational Support Service Personnel enumerated on the attached Exhibit 1.

Should you or any Board member have any questions about the dismissal process, please contact me.
