

Senior Project

Halloween Themed Carnival to add onto the Safe n' Sane Trick or Treating. This was held at the High School in the Old Gym. Start time was at 4:00 and went until 6:30. Kids had lots of fun, and I was told by many parents, how great the people that helped me were. I had students from Freshman- Seniors helping out, and that proves to me how supportive our school is. As for our school being supportive, the community was even better, providing me with candy, baked goods, and bringing their children along to make this so successful. I had photo booths made by the art department for kids to take their picture as well.

Games

1. Witch Hat Ring Toss
2. Broom Race
