

## Consent Item

**Date:** April 13, 2026

**Division:** Finance

**Subject:** Consider Approval of 2023 Bond Second-Sale CSP #3347-26 Stadium Press Box Sound Refresh (SB06)

### **Background Information:**

- Included in the 2023 Bond proposal was Proposition B to update many of the stadium press box sound systems at campuses across the District.
- The existing sound systems are aging and nearing end of life. The sound quality of these systems has also degraded over time, and system components are becoming difficult to acquire. These upgrades are needed for Lewisville ISD to maintain a reliable, high-quality sound system experience for the campuses.
- The Board of Trustees approved utilizing Estes, McClure & Associates, Inc., as the professional engineering firm for the Stadium Press Box Sound Refresh at the January 12, 2026, Board Meeting.
- On February 9, 2026, the Board of Trustees also approved a competitive sealed proposal (CSP) as the Construction Delivery Method for the Stadium Press Box Sound Refresh.
- If approved, the recommended vendor(s) will help provide the District with competitive pricing in support of achieving the best value.
- Best value involves considering several factors, which may include, but are not limited to, price, quality, availability, delivery timing, support, and other relevant factors. Awarding to multiple vendors does not obligate the District to make purchases.

### **Administrative Consideration:**

- Email notifications were sent to 1,958 vendors, and six proposals were received.
- Funds for this purchase will come from the 2023 Technology Bond budget.
- Contingency Allowance: 5%. The contingency is designated for unforeseen conditions or additional project requirements that are identified once construction begins. Approval by Lewisville ISD is required before work can be initiated.
- Anticipated project expenditures, including a 5% contingency: \$932,959 but will not exceed the approved budget.
- This procurement complies with LISD Board Policy, Section 2269 of the Texas Government Code, and other applicable local and state procurement laws.

**Recommendations:**

- That the Lewisville ISD Board of Trustees approves CSP #3347-26 Stadium Press Box Sound Refresh (SB06), the recommended vendor(s), the estimated expenditures, and contingency allowance as listed.

**Timeline/Report:**

- Term: Upon approval
