

Action Sheet

MEETING DATE:

December 14, 2022

AGENDA ITEM:

Discuss and consider the approval to use Galveston Career Connect grant funds for tuition and expenses related to high school students attending Galveston College courses in an amount not to exceed \$200,000.

The Galveston Career Connect grant supports Galveston ISD and Galveston College by allowing us to offer a multitude of college level courses to our high school students at no cost to the student. With this support, students who would normally be unable to attend these courses, either due to financial and/or time constraints, are able to obtain college and career readiness while attending the participating high schools in Galveston. The grant uses funds to pay for student tuition, registration, and class expenses. Students are able to participate in these courses during the fall, spring, and summer terms.

RECOMMENDATION:

I move that the board approve the use of Galveston Career Connect grant funds for tuition and expenses related to high school students attending Galveston College courses in an amount not to exceed \$200,000.
