End of Year Report 2022-2023

The Varsity volleyball team had a final roster of 13 athletes, three of which were valuable seniors and phenomenal representation of our program. While our final record of 4-24 did not represent our promise and potential, we battled through a season ending injury from our senior setter and captain while the other two seniors, three juniors, five sophomores, and two freshmen worked hard every day to improve their consistency and drive. We missed the playoffs to a very tough district of Graham, Mineral Wells, Glen Rose, and Stephenville. The youth of this team has a ton of potential and promise to come back better next year and has already been working hard under the leadership of our future senior/junior classes.

District Awards include the following:

Brownwood Baseball 2023 Season Report

The baseball program suited out 48 players on 3 different teams.

Varsity suited out 20 players.

JV Maroon suited out 15 players.

JV White suited out 13 players.

Overall, the baseball program had a record of 37 wins 22 losses.

Varsity 22 – 11

Maroon 13 – 5

White 2-6

The varsity finished 2nd in district 6-4A winning the bi-district round.

The JV Maroon won district by winning every series in district play.

The JV White had a record of 2-6 and had 7 games cancelled due to bad weather.

The program is well represented with All District honors as well as Academic All State:

Eli Goodrich Elite team

Campbell Gilmore 1st team

Owen Huntsinger 2nd team

Cameron Harte 2nd team

Taylor Bessent Hon. Mention

Luke Gray Hon. Mention

The program continues to grow and improve as we have more participation each season. We are proud of the athletes that represent our program and look forward to the 2024 baseball season.

Brownwood Lady Lion Softball 2023
End Of Year Report

Varsity - The Brownwood Lady Lion Softball program finished off the year by competing in the area playoffs against Krum. The Lady Lions tied for 2nd in District 6-4A play and seeded 3rd after a seeding game against Glen Rose. The team finished with an overall record of 12-15-1 and a district record of 4-4 (4-5 with seeding game). The Lady Lions were Bi-District Champions after defeating Levelland who came into Bi-District with a record of 25-7. After not making the playoffs the year prior, the program is hopeful to continue this year's successes into future seasons.

JV - Our Junior Varsity team was 4-12 on the season and 2-6 in district. The win-loss column does not do justice to these hard working athletes. JV games are timed, so they are only able to get 3 ½ innings in. This group saw immense progress from game to game in hitting, pitch selection, and fielding. By their last game, there was unity on the field and an overall better understanding of the game.

The softball program started off the year with 23 athletes and finished the year with 23 athletes.

Boys Golf Report

2023

The Boys Golf Team completed another successful year in 2023. We had greater numbers (10) than we have had in the last six years. We were able to field two teams for The District Golf Championship. This is the first time we have been able to do that in recent memory. Our maroon team won the District Championship (back to back) and our white team narrowly missed qualifying for Regionals. We had six members of our golf team qualify for Regionals: our entire maroon team (5 members) and one individual competitor from our white team. Our maroon team advanced to the State Tournament in Kingsland after finishing third at Regionals. Our region is the toughest in the state, as the first two teams finished 1 and 2 at The State Tournament. Our maroon team is the first Brownwood golf team to advance to the State Tournament in 38 years. Our team, comprised of mostly underclassmen, finished in 6th place at The State Tournament.

We are pleased with the direction our golf program is headed. We have 7 members of our team returning for next year. Our team members are hard-working, dedicated individuals. The future is bright for the Brownwood Golf Program.
