Background Information:

The Ellis County Shared Services Arrangement provides special education services through a cooperative program including Avalon ISD and Milford ISD. The services they provide through the coop would cost us more than we can afford if we had to provide them on our own.

Fiscal Implications:

Any fiscal implications are identified in the related attachment or will be explained by the Superintendent.

Administrative Recommendation:

The Administration recommends approval of the Ellis County Shared Services Agreement for the 2025-2026 school year.
