Meeting: March 22, 2019 – Regular Board of Education Meeting

Category: Business Item

Subject: Thorne Bay Gym Water Heater Replacement (Schmolck Mechanical:
\$17,850)

RECOMMENDATION

It is the administration's recommendation that the School Board approve Schmolck Mechanical's bid of \$17,850 for the Thorne Bay Gym water heater replacement.

PERTINENT FACTS:

The hot water heater in the Thorne Bay School Gym boiler room is corroded and no longer functioning. Branzon Anania requested bids from multiple vendors to demo the existing 250 gallon water heater, replace it with an 80 gallon water heater, and tie the heat exchanger to the existing heat we have (wood and oil) for our hot water. Only two vendors were able to supply bids. While Schmolck Mechanical's bid was slightly higher than the second bid, their bid was the only one that covered the entire scope of work (the second bid did not include tying the heat exchanger to the existing heat that we have).
