Dear Superintendent:

A statement is enclosed containing information regarding your district's Fiscal Year 2023-2024 membership in the Illinois Association of School Boards. We thank you for your continued support.

Your district's dues amount **for FY 2024 can be found on the enclosed invoice**. Member dues are based upon three variables: Base Charge + (Weighted Factor x Final Resources). The Base Charge and the Weighted Factor are now linked to student enrollment (not ADA) and resources rather than expenditures. Please know that in the future, your district will not experience more than a four percent annual increase in dues regardless of the calculated amount.

The Association's strategic plan continues to guide the work of IASB staff with a focus on the six "Es," Envision, Engage, Educate, Evolve, Empower, and Equity. We will continue to seek new and innovative ways to provide timely and meaningful support to our members.

Since the pandemic, IASB has launched over 90 virtual events and workshops attended by nearly 7,000 individuals. IASB launched the Trust-Edge in-person training event which districts can schedule through their IASB Field Service Director.

IASB has also launched an advocacy ambassador program which will connect board members to legislators to discuss important legislative topics. IASB staff sends IASB Legislative Alerts and Federal Legislative Reports to keep members informed on current issues.

Subscriptions to PRESS Plus continue to grow, and I am proud that IASB staff has met all benchmarks for timely responses to member districts.
