Blackfoot Online Dictionary

Description:

The dictionary website to be delivered on June 9th, 2023 will meet the following requirements:

- Display and provide definitions for all Blackoot words prepared by the BNAS department of Browning Public Schools up to 2000 words.
- Break Blackfoot words into their morphemes by color, while providing definitions of said morphemes.
- Words will be filterable by any given morpheme.
- Words are to be searchable by English translation.
- Words can be sorted into groups, such as places, names…
- Words can be sorted alphabetically
- I will work directly with Robert Hall and Lea Whitford to ensure their work and mine is as efficient as possible.
- An admin site will be made so words and morphemes can be added and removed by the BNAS department.
- All intellectual property of the website will be owned by Browning Public Schools and No Egos Underwater LLC will transfer the codebase if requested by Robert Hall.
- I retain the right to use any non-language feature developed for the website in other projects.
- I will provide support for purchasing a domain and ensure the website is hosted on said domain by June 9th 2023.

Payment:

- One third(**$3,000**) upon receipt of the alpha version due no later than 4/1/23 to be tested and okayed by Robert Hall.
- Two thirds(**$6,000**) upon completion of the website determined by Robert Hall.

Total: $9,000
