

## Maintenance Department Board Report

For week of 20 June

1. Summer maintenance and deep cleaning continues
2. Installed new wiring and conduit for scoreboard and 25 sec. clocks
3. Completed Field event Bldg.(still need to extend fence and add Chicken wire to secure insulation, hope to have this done prior to board mtg.)
4. Started tiling @ 1306 Houston
5. Removed and delivered wall pack light fixtures from OES to Grimsley Electric. We are waiting for replacements that Grimsley negotiated with manufacturer to cover under warranty (replacement cost was going to be about \$3300.00).
6. Painted 1308 Ave G(Moran/Jackson house)
7. Painted 1306 Houston(Isenhower house)

### To do list:

1. Fabricate and install new 25 second clock frames
2. Install pipe fence around area north of new OES parking
3. Construct back porches at 604&606 Ave E
4. Install dishwasher at 606 Ave E
5. Run new control cable and electrical from press box to junction box on field.
6. Continue tiling of housing units as they become vacated
