

# **FEBRUARY**

## **Attendance Committee Report**

### **Browning Public Schools**

Attendance in January was 5% higher than it was in December. We hope the attendance continues to increase. All grades improved their attendance except for the pre-k classes.

In Browning Public Schools there are currently 2,129 students enrolled. This is the highest enrollment has been all this school year.

The Attendance Committee is working on getting incentive for the 1<sup>st</sup> semester and 2<sup>nd</sup> quarter. We're taking 29 students to a movie and to Pizza Hut in Cut Bank on February 19. These are students who had missed >20 days for one or two years in a row and had 90% attendance or better in the 1<sup>st</sup> semester for the 2018-2019 school year. We're proud of these students and their achievements this year in improving their attendance by being responsible, determined, and hard working.

Students who missed >20 days last year or for two years in a row who missed <3 days in 2<sup>nd</sup> quarter will be receiving gift cards. Their parents will also be receiving gift cards.

We will be planning on having incentives for the 3<sup>rd</sup> quarter. We are also going to start to do random drawings of gift cards and other incentives so that all students who are in school in a given time will have a chance to win.

Individual schools are still working on finding ways to increase student attendance.

We hope that attendance continues to improve and that we can influence this.

Total % of Attendance
