**DIRECTV, LLC Annual Video Report for U-verse Video Service in Michigan**

DIRECTV, LLC ("DIRECTV") submits this Annual Video Report to the Michigan Public Service Commission ("MPSC" or "Commission") and franchising entities in the State of Michigan as required by Michigan's Uniform Video Services Local Franchise Act (2006 Public Act 480, as amended or "Video Act").

DIRECTV reports that a change of control of DIRECTV's parent entity was completed via a transaction that occurred on July 2, 2025.

DIRECTV Entertainment Holdings LLC is DIRECTV's corporate parent. Prior to the transaction, AT&T Inc. ("AT&T") owned a 70% interest in DIRECTV, with the remaining 30% held by TPG Global, L.L.C. ("TPG"). As a result of the transaction, TPG is now the sole owner of DIRECTV Entertainment Holdings LLC. The Federal Communications Commission has reviewed and approved the transaction.

While the ownership and control of DIRECTV has changed from shared control between AT&T and TPG to solely TPG, the local video franchise agreements pertaining to the U-verse TV service continue to be held by DIRECTV. DIRECTV will continue to provide high-quality video entertainment and customer service and will continue to be led by its current management team. Accordingly, the transaction will have no impact on DIRECTV's ongoing compliance with its local video franchise agreements.<sup>1</sup>

DIRECTV will continue to meet the terms of those agreements and of the Video Act, as it relates to the continued provision of the U-verse IP-enabled video service. As required under Sec. 9 (1) of the Video Act, DIRECTV does not deny access to service to any group of potential residential subscribers because of the race or income of the residents in the local area in which the group resides.

U-verse TV includes:

- Access to live video programming and on-demand and interactive content
- Ability to access more than 240 HD channels
- Ability to record up to at least 4 shows at once with Total Home DVR
- Ability to view programs via a subscriber's smartphone or tablet
- Public, Educational, and Government (PEG) channels for communities who are providing or request to provide PEG programming
- Customer service via call centers and 24/7 online
- Online customer service and technical support is available at <https://www.att.com/support/topic/u-verse-tv/>

<sup>1</sup> On or about August 11, 2021, the municipalities previously served by Michigan Bell Telephone Company ("AT&T Michigan") were notified that their Uniform Video Local Franchise Agreements were transferred to DIRECTV.
