

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: February 17, 2014

AGENDA ITEM: Consider Approval of Charter Amendmenst to the TLC Academy of San Angelo, TX.

PRESENTER: Dr. Derek Citty, Superintendent

ALIGNS TO BOARD GOAL(S): ALL

BACKGROUND INFORMATION:

- In accordance with TEA guidelines, once any approved charter school decides to enlarge its programs or expand the grade levels offered, it must submit an amendment request to any public school district that may be affected by this change.
- The TLC School, a K-12 charter school whose administrative offices are in San Angelo with satellite campuses in Arlington, Midland and Abilene are requesting their enrollment cap be increased from a total of 2,250 to 4,000, add a campus in Abilene and to increase the charter's geographic boundaries as indicated in the attachment from TLC.
- The Board is required to declare what impact (if any) these amendments would have on the finances of the school district.
- The Arlington satellite draws enrollment from several area districts across the DFW area.

ADMINISTRATIVE CONSIDERATION:

- Approval of this amendment will have no appreciable impact on the finances of the district because of its location. Currently, no known Aledo ISD student attends the Arlington school.

FISCAL NOTE: Consideration of this amendment will have no known impact to the 2013-2014 budget.

ADMINISTRATIVE RECOMMENDATION: Administration recommends approval of the Charter school amendment as presented.
