RE: Waste Removal Contractor Approval

DATE: April 25, 2022

Introduction

Recently I requested proposals from three waste management companies for garbage and recycling services at the three schools. Listed below are the results from two companies for your review. The third vendor did not respond. The contract is a two year contract and allows for renewal for an additional two years. Our current monthly charges are \$943.54.

Results

VENDOR	22/23 Monthly Charge	23/24 Monthly Charge	22/23 Yard Waste Charge	23/24 Yard Waste Charge
SBC Waste Solutions	\$1,100.00	\$1,215.00	\$75.00	\$80.00
Waste Management	\$1,395.00	\$1,520.55	\$60.00	\$65.40

Monthly Total w/ yard waste:

SBC Waste Solutions - 2022/23 = **\$1,175.00** 2023/24 = **\$1,295.00**
Waste Management - 2022/23 = **\$1,455.00** 2023/24 = **\$1,585.95**

SBC Waste Solutions is a minority owned business and also serves as the residential waste collector in the Village of Bloomington.

Recommendation

It is my recommendation that the Bloomington School District 13 Board of Education approve SBC Waste Solutions at the amounts listed above for waste removal services for the period July 1, 2022 thru June 30, 2024, with the option to renew the contract for an additional 2 years if both parties are in agreement with the rates and terms.
