Re: Bus Purchase off lease for 2025-2026 SY

As part of my transportation fleet plan that I presented to the board in October of 2024, I included an option to purchase one of the school buses that is due to be returned at the conclusion of its 5 year lease in July of 2025. The purpose of this purchase would be to allow for the option to add an additional bus route to accommodate a growing student population as well as a minorly condensed bell schedule as early as the 2025-2026 school year without the commitment of a brand new additional lease payment. I recommend the Board of Education approve the purchase of:

1X:

2021 BLUE BIRD ALL AMERICAN SCHOOL BUS. VIN#: 1BABNCSH2MF374153
BODY#: F512739.

The purchase price of the above school bus is \$27,747.64

Thank you,
