

Unity School District – 1908 150th Street/Hwy 46 North –Balsam Lake, WI 54810-7267
BOARD OF EDUCATION POLICY

Code: 431.1	Title: ATTENDANCE WAIVER (EARLY GRADUATION)	Adopted:	Revised: 01/14/2014; 07/31/2015 11/14/2017	Reviewed: 1991
------------------------------	--	-----------------	---	---------------------------------

The Board of Education of the Unity Schools believes that the broadening and expanding high school curriculum should provide the students with an opportunity to broaden their educational background, not shorten their high school experiences. Consequently, the Board of Education does not believe that the opportunity to carry greater loads should be used by the student as a means of meeting the graduation requirements in less than four years.

The Board of Education may grant a diploma when the minimum graduation requirements are satisfied. The administration shall devise uniform procedures for screening applications for attendance waivers and will recommend to the Board a student's early graduation.
