

Bid Awards: Resolution

ISD 622 follows procurement law as defined by Minnesota State Statutes 471.345 Uniform Municipal Contracting Law.

For contracts over \$175,000, sealed bids were solicited as required by law for goods and services. The bids were opened, tabulated and are recommended for award to the lowest responsible bidders per Minnesota State Statute 471.345, Sub. 3.

Minnesota State Statute 471.345, Sub. 15, permits school districts to contract supplies, material, equipment, and services through cooperative purchasing contracts. Vendors with a cooperative purchasing contract in place reviewed the district's project and submit pricing to complete the work. Vendor proposals were evaluated for compliance with the contract documents and overall cost-effectiveness.

Bid tabulations and cooperative purchasing pricing are on file in the Procurement Office.

Therefore, the Director of Operations recommends the following resolution:

BE IT RESOLVED by the School Board of Independent School District No. 622 that the following Contracts be awarded as follows:
