Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

Hidden Valley High School Future Business Leaders of America is requesting to speak to the School Board about its program and value of the program to high school students and the community. We would like to end with a presentation by Gabrielle Pendleton---with a speech about leadership.

Provide history/background information on your proposal.

HVHS FBLA has attended conferences, workshops, leadership activities and community service events over the last 15 years. These conferences offer robust professional development opportunities which transfer to all classes we teach. In addition, students have the opportunity to learn lessons related to professionalism and life skills while networking with other students and professionals from across the country. The growth we have seen in ourselves and students has been amazing, and many of the lessons learned from past conferences are still evident in the classroom today!
