Background Information

Community Center Proposal	The district received the attached proposal for use of the Jefferson Building. The administrative team will review the proposal prior to formal discussion at the board level.
Review of Policies	Each year, the school board reviews about 1/3 of its policies. This year, the Legislative and Policy Committee reviewed the 400-series, which are located at www.rwps.org > Quicklinks > Policies and Handbooks. Suggested changes will be considered in the spring in preparation for next year. Board members can ask questions about any policy by contacting the Superintendent.
Field Trips	A list of field trips will be included periodically in Administrative Reports section. Day field trips do not need board approval, so the list is intended to provide information to board members.
Tentative Schedule of Board Meetings in 2022	Based on a discussion during a recent workshop, the attached tentative list of board meetings for 2022 was developed.
