Optional Flexible School Day June 2022

OFSDP Purpose

School districts can use the Optional Flexible School Day Program (OFSDP) to provide students with flexible hours and days of attendance. Its purpose is to improve graduation rates among students who are at risk of dropping out, have dropped out, or are behind in core subject courses. Among these students are those who did not graduate, are overage and under-credited, may have extenuating circumstances at home, or may be living on their own.

OFSDP Enrollment

A student must be enrolled at least one semester at South San Antonio ISD to be eligible for the Optional Flexible School Day Program. In order to determine whether the program is a proper academic fit for at risk students, they must meet with their counselors with their parents present. If accepted, students and parents must complete a handbook that explains the program's benefits, policies, and procedures.

Updated April 2022

Optional Flexible School Day Program (OFSDP)

2022-2023

School Year

ELIGIBLE APPLICANTS: The Texas Education Agency (TEA) will make available to eligible school districts and open-enrollment charter schools an application form that must be completed and submitted annually to the TEA for approval.

Definition of Program Provisions

Eligible Students

A student in any grade level is eligible to participate in an OFSDP authorized under the [TEC, §29.0822](#), if the student is:

- at risk of dropping out of school, as defined by the [TEC, §29.081](#),
- attending a campus implementing an approved innovative campus plan,
- attending a TEA-designated ECHS as defined by the [TEC, §29.908](#), P-TECH, or ICIA,
- attending a community-based dropout recovery education program, as defined by the [TEC, §29.081\(e-1\) or \(e-2\)](#), or
- not meeting attendance requirements under the [TEC, §25.092](#), resulting in denied credit for one or more classes in which the student has been enrolled.

AND

There must be an agreement in writing to the student's participation:

- by the student, if the student is over 18 years of age; or
- by the student and the student's parent or person standing in parental relation to the student, if the student is less than 18 years of age and not emancipated by marriage or court order.

Assessment

The student must take the required state assessments specified under the [TEC, §39.023](#), during the regularly scheduled assessment calendar.

Participation in University Interscholastic League (UIL)

A student enrolled in an OFSDP under the [TEC, §29.0822](#), may participate in a competition or other activity sanctioned or conducted under the authority of the University Interscholastic League (UIL) only if he or she meets all UIL eligibility criteria.

Attendance Credit

A student attending an OFSDP under the TEC, §29.0822, may be counted in average daily attendance (ADA) for purposes of funding under the TEC, Chapters 46, 48, and 49, only for the actual number of contact hours the student receives, not to exceed 720 hours or 43,200 minutes per 12-month period. **Students enrolled in the traditional program for part of the year and the OFSDP program for part of the year may not earn more than one ADA.**

Board Approval

The board of trustees of a school district must include the OFSDP as an item on a regular agenda for a board meeting. Board of trustees of a school district must discuss the progress of the program before approving the program and applying to operate an OFSDP (see Appendix Two).

Continuation or Revocation of Program Authorization

Applications are approved for a period of one (1) school year. Continuation of the approval for the OFSDP will be contingent on the demonstrated success of the program. Determination of success will include a review and analysis of data provided in the mandatory final progress report(s). The commissioner of education may revoke authorization for participation in the OFSDP after consideration of relevant factors, including performance of students participating in the program on assessment instruments required under the TEC, Chapter 39; the percentage of students participating in the program who graduate from high school; and other criteria agreed to in the application and adopted by the commissioner of education. A decision to revoke approval of the program by the commissioner of education is final and may not be appealed.

Reporting Requirements

Following approval of the application, the applicant may be required to submit progress reports based on criteria selected by the applicant and agreed to by the commissioner. When requested, reports will require applicants to disclose the overall progress of the students in the program, the number of students enrolled in the program (disaggregated by ethnicity, age, gender, and socioeconomic status), the number of students graduating from high school (disaggregated by ethnicity, age, gender, and socioeconomic status), and additional criteria selected by the applicant and agreed to by the commissioner. The TEA will provide notice to applicants and additional instructions for completion of reports at least 45 days before the date a report is due, or as soon as possible, in order to give school districts and charter schools adequate time to prepare and submit the reports to the TEA. The TEA may request additional reports as necessary to monitor and assess progress of students participating in the program.
