

# Executive Summary

## Prepared for Board of Trustees Meeting

### May 12, 2020

### Prekindergarten Update

---

#### **Board Goal:**

- Teaching and Learning: Cultivate a consistent, strong, district-wide balanced curriculum based on ongoing needs assessments supporting all students
- Culture and Climate: Honor the dedication and professionalism of all staff
- Growth and Management: Remain committed to providing equitable and outstanding opportunities for every student on every campus
- Growth and Management: Demonstrate effective and efficient management of district resources
- Opportunities for Students: Develop academic skills necessary for student success in college, the workplace, and for life

#### **Purpose of Report**

The prekindergarten program in Denton ISD is providing over 1,000 students each year with the knowledge, skills, and social-emotional foundation to prepare them for kindergarten. We will share current prekindergarten programming, pre-registration numbers for 2020-2021, and programming for the 2020-2021 school year.

#### **Objectives**

- Demonstrate enrollment trends
- Share data regarding kindergarten readiness
- Share programming for the 2020-2021 school year

#### **Operational Impact**

To continue to provide educational opportunities for all eligible four year old students. For the 2020-2021 school year, we will add one monolingual section of prekindergarten at Borman Elementary. This site is desirable since Borman Elementary has a bilingual section of prekindergarten. We will have prekindergarten classes at 17 elementary campuses in addition to our two early childhood campuses.

#### **Results**

The Early Childhood staff has provided information and artifacts from the program to better equip the board with the knowledge of our current status and the goals.

#### **Other Options**

N/A
