

Articulation Agreement and Contract for Instruction  
for the  
Dual-Credit Machine Academy  
between  
The Ector County Independent School District  
and  
Odessa College

The purpose of the Odessa College Dual-Credit Machine Academy (hereinafter called "Program") is to provide a curriculum at Odessa College for Machine Technology students beginning in their Junior year in high school and continuing through their Senior year.

The following articulation agreement and contract for instruction between the Ector County Independent School District (hereinafter called "ISD") and Odessa College (hereinafter called "College") will award Program students up to four (4) high school credits and up to sixteen (16) college semester credit hours in the program. Program students may, at their option, continue on with advanced academic and workplace courses at Odessa College to attain the Associate's in Applied Science Degree in Industrial Machinist Technology.

To provide a smooth transition for Program students from the high school campus sites to the College, and to eliminate duplication of coursework, the ISD and College agree as follows:

The ISD agrees to:

1. Provide and maintain all Junior and Senior level courses on the ECISD Dual Credit inventory listed as "High School Credit for College Courses." These courses and credits awarded are:
  - a. 13032700, Flexible Manufacturing (2 Credits), and
  - b. 13032800, Advanced Flexible Manufacturing (2 Credits).
2. Furnish the College with official copies of the following for each Program student:
  - a. High School transcript and
  - b. Properly executed Dual Credit Form.
3. Provide payments to the College as listed in Appendix A for all Junior and Senior students for:
  - a. Students' expenses incurred for all supplies, equipment, and textbooks;
  - b. All tuition and fees (less the payments required from the students) for:
    - i. MACH 1438 *Machining I – Basic Machine Shop I*
    - ii. MACH 1413 *Basic Milling Operations*
    - iii. MACH 1441 *Basic Machine Shop II*
    - iv. MACH 2433 *Advanced Lathe Operations*
4. Provide transportation to and from the College for all Program students.

The College agrees to:

1. Provide a college instructor for all Program students.

2. Provide all instructional facilities, instructional materials, and equipment.
3. Provide instruction in:
  - a. MACH 1438 *Machining I – Basic Machine Shop I*
  - b. MACH 1413 *Basic Milling Operations*
  - c. MACH 1441 *Basic Machine Shop II*
  - d. MACH 2433 *Advanced Lathe Operations*
4. Grant credit for:
  - a. MACH 1438 and MACH 1413 for successful completion of the first year in the program.
  - b. MACH 1441 and MACH 2433 for successful completion of the second year.
5. Provide the ISD with an accurate attendance report for Program students.

The ISD and College agree:

1. Require each program student to remit \$150 per semester to the college to be applied to tuition and/or fees.
2. Promote the program as appropriate.
3. Annually review, revise and adopt Appendix A on or before May 1<sup>st</sup> of each year. Appendix A shall list and define the Program costs per student by semester and shall be effective for the academic year described therein.

This agreement shall become effective when signed by appropriate representatives of the ISD and College, and shall remain in effect, on a year by year basis, until its termination. This agreement may be terminated at the end of any academic year by either party by giving at least a one semester notice to the other party.
