School Wide Fall Celebration: was contained to classroom activities. Teachers received monetary donations to purchase halloween snacks in lue of outside treats being brought into the school environment. On Friday 10/31 of Red Ribbon Week students wore orange and black because Drugs Don't Scare Us and had a chilling treat from Kona Ice. We also have been enjoying the Washington School Virtual Halloween Parade as it scrolls on the smart screen in the hall outside the office.

Lincoln Elementary held their mock election on November 2nd, complete with voter registration cards, official ballots and 2 polling places in the building. Students took turns voting and received a voting pencil and an "I Voted" sticker. The 5th grade team and aides did a great job creating this activity and the 5th grade students ran the show!! The results came in and were announced just before dismissal with Biden at 44 and Trump at 182. We took this as a great opportunity to encourage families to open up a discussion about what a democratic society looks like and the fact that we all have the privilege to vote for our preferred candidate. Students discussed that if our opinion differs from that of our friend's opinion, then we agree to disagree respectfully!!
