

Big Dog Challenge

New Dog on the Block

This year, we are pleased to introduce a newly structured Big Dog Challenge that leverages the latest in innovative thinking; Human Centered Design. HCD is an innovative process that begins with exploring opportunities and ultimately creates small-scale testing of potential solutions.

To get started, watch for the Big Dog Challenge e-mail or go the school district website under "staff". Click the "Kibble" button to post your food for thoughts. You can post as many as you would like, just use a new form for each new kibble. *Note: Kibble is a story, a problem, an opportunity, an unmet need, a pain-point, an experience, the start of a conversation. Kibble is not the idea, not the answer, and not the solution.

Kibble
Sept 24 - Oct 5

PairMatrix Opportunities
Oct 8 - 12

Submit Solutions
Oct 29 - Nov 9

PairMatrix Best in Show
Nov 14 - 20

Teamwork
Dec - June
