AGENDA ITEM:	Bus Purchase
AGENDA LOCATION:	Action ▾
PRESENTER TITLE & NAME:	Tommy Ledford, Ex. Director of Operations
DEPARTMENT:	Operations
PRIORITY FOCUS AREA:	Resource Stewardship ▾

BACKGROUND INFORMATION

Our Transportation department has developed a route schedule for next year that accounts for projected growth, with a slight buffer to ensure adequate coverage. Based on their analysis, we will need to add 16 buses to our fleet for the 2026–2027 school year: Eight 77-passenger buses and two 14-passenger buses to support routes and six additional 77-passenger buses to accommodate trips associated with the new middle school. This increase will address both anticipated growth and the additional buses required to transport students currently served by SGC. We are planning to purchase 9 Thomas buses and 5 International buses. The two 14-p will be International.

BUDGETARY IMPACT & FUNDING SOURCE

The cost of these buses will be \$2,548,252. The funding will come from the 2022 bond
