**ADDITIONAL INFORMATION AND/OR BACK-UP:**

Spring Branch ISD has once again been named a CTE District of Distinction, an award given by the Career and Technical Association of Texas, to celebrate outstanding CTE programs across the state. This recognition honors districts that show exemplary leadership, innovation, and commitment to student success in the workforce. Only 67 districts across the state earned this honor for 2026.

We congratulate CTE Director Christina Rice Imumwen, her team and all our CTE teachers whose work is recognized through this honor!
