7 **Board Participation in Activities**

8

9 Members of the Board, collectively and individually, are encouraged to attend school activities,
10 social functions, and instructional programs in order to view and observe such functions in
11 operation. Attendance at such programs as musical presentations, speech activities, clubs,
12 dramatic productions, and athletic events, indicates interest in school affairs and provides
13 opportunity for more comprehensive understanding of the total school program. Administration
14 will provide appropriate communications to trustees to keep them informed about activities they
15 may wish to attend.
