BOARD GOAL: Become a TEA Recognized district for the 2009-2010 school year on our journey to becoming world-class by 2012.

BACKGROUND INFORMATION:

The district contracted with Cambridge Strategic Services to assist with the development of a five-year strategic plan. In October, the Strategic Planning Team consisting of 25 members made up of school board members, administrators, teachers, CHISD staff, community members, parents, and students developed the beliefs, mission statement, parameters, objectives and strategies of the plan. Eight Action Teams developed the action results and steps for each strategy over a four month period. In May, the Strategic Planning Team reviewed and revised the action result statements and steps. The attached document represents the final recommendations for the CHISD Strategic Plan.
