RE: Prevailing Wage Rate

DATE: May 24, 2016

Annually, the Board of Education of Oak Park District 97 is required to adopt a formal resolution specific to “An ACT regulating wages of laborers, mechanics and other workers employed in any public works by the State, County, City or any public body or political subdivision or anyone under contract for public works”, or what is commonly referred to as the Prevailing Wage Rate. The Department of Labor of the State of Illinois publishes; as of June of each calendar year, the prevailing wage schedule (see 2015 sample attachment) and this document is incorporated within the formal resolution which is also attached. Because this item is being presented to the Board in May (prior to the release of the 2016 schedule), the actual rates will be included in the June 14, 2016 Board packet.

The Administration will be seeking formal Board approval at the June 14, 2016 meeting.
